**Next you will add these
8 pieces of blue track
from steps [168](#) - [181](#)**

**Ensuite, vous devez
ajouter ces 8 pièces
de bleu à la voie de
l'étape [168](#) - [181](#)**

168

Start here and work your way up the hill. Make sure the blue tubing does not get twisted as you attach it.

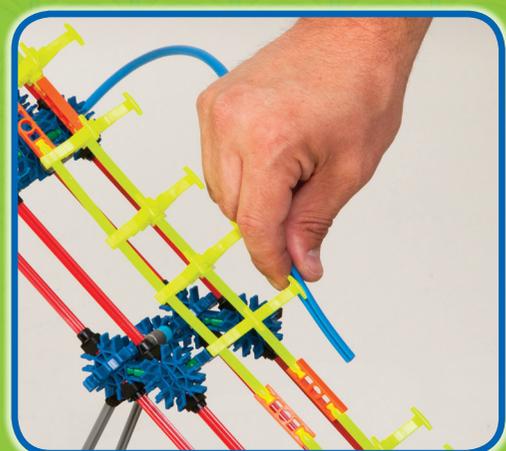

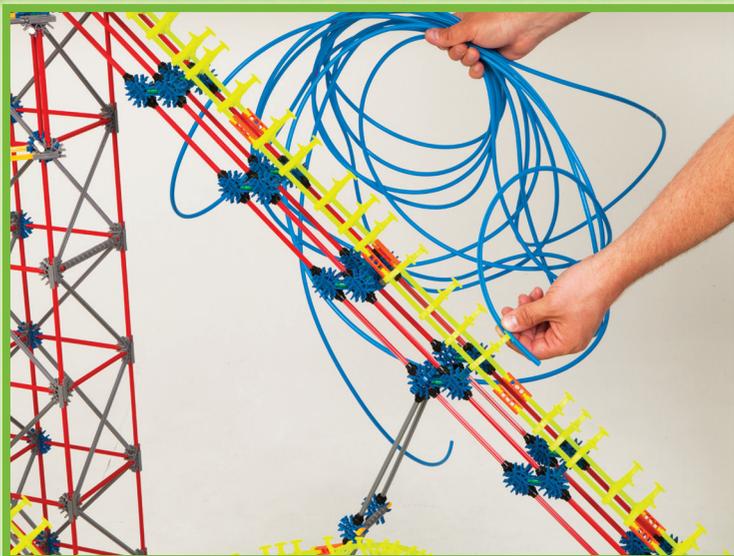

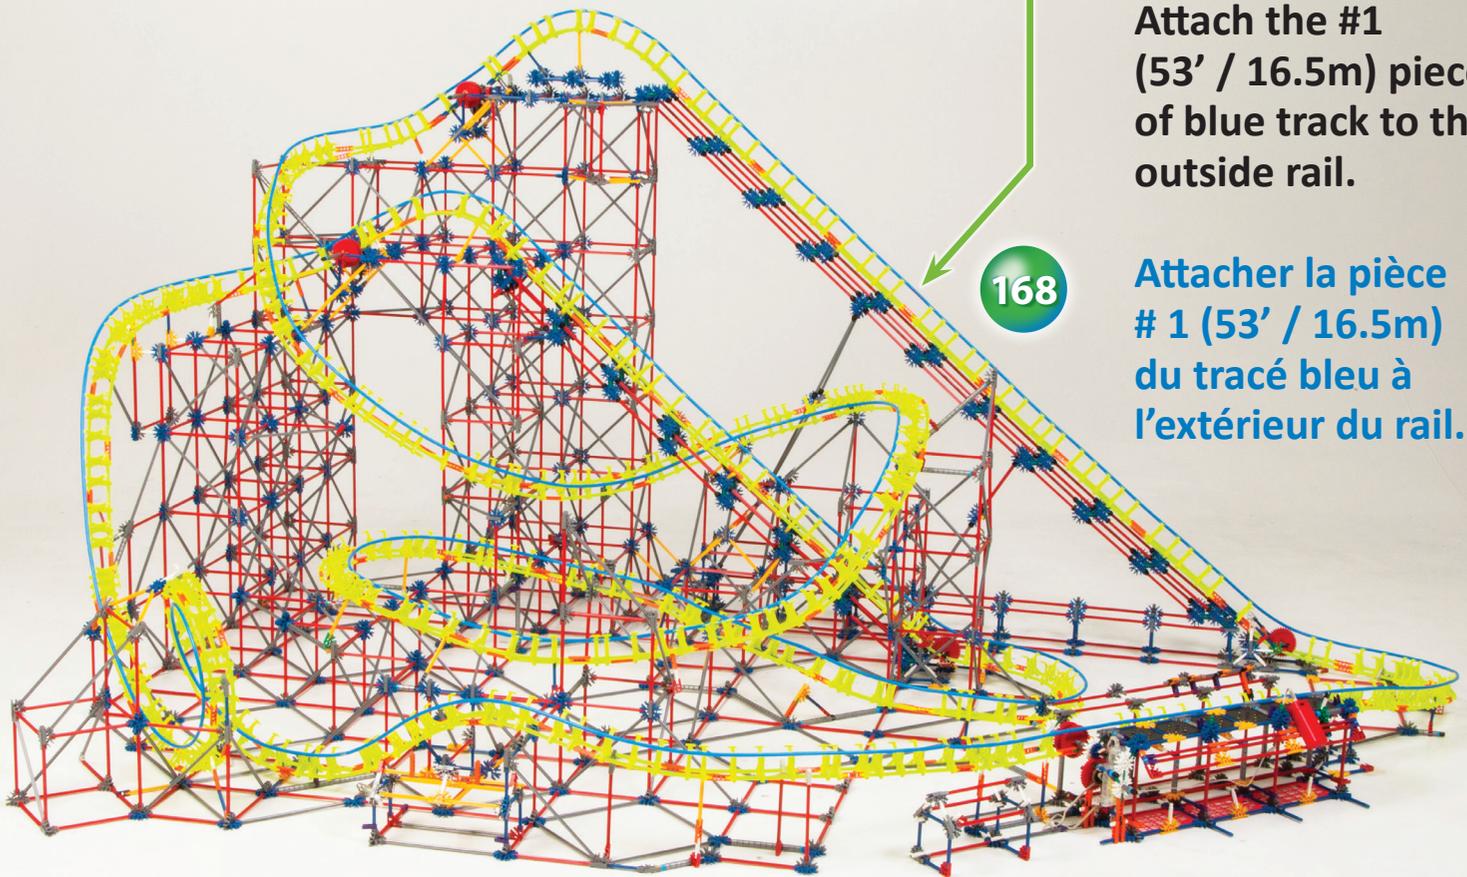

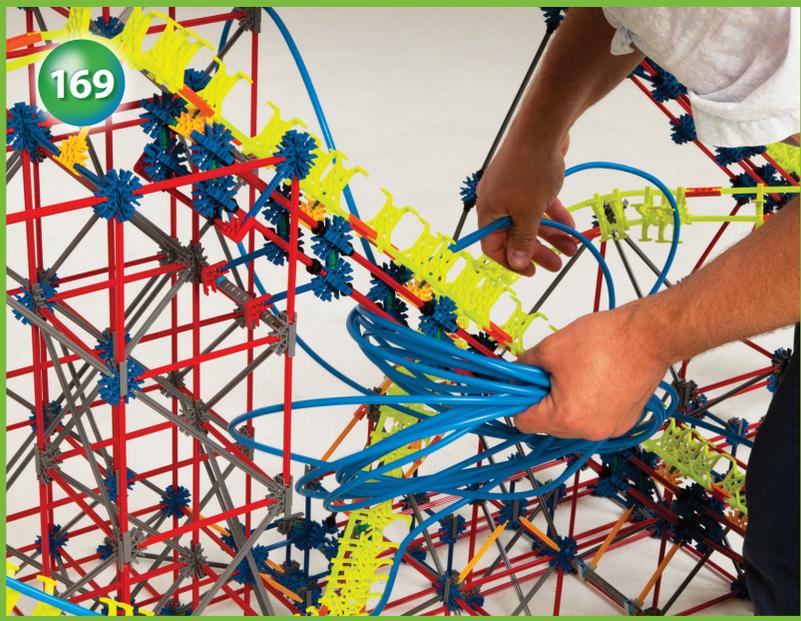

Commencez ici et travaillez vers le haut de la colline. Assurez-vous que le tube bleu n'est pas tordu en attachant.

Attach the #1 (53' / 16.5m) piece of blue track to the outside rail.

168

Attacher la pièce # 1 (53' / 16.5m) du tracé bleu à l'extérieur du rail.

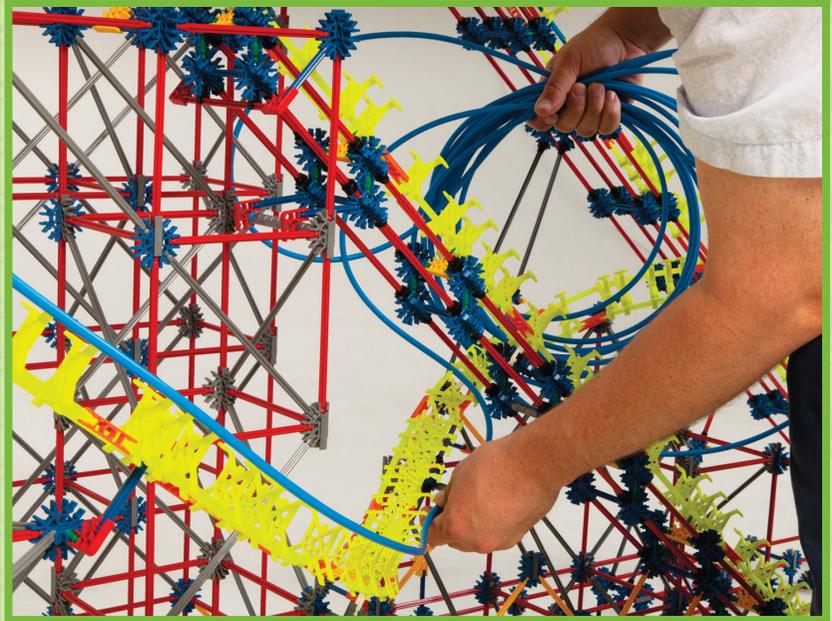

169

Feed all the tubing through the underpass of the track before you start attaching it in this area.

Alimente le tub dans le passage souterrain de la voie avant de l'attacher à cet endroit.

169

170

Disconnect this gray rod so you can attach the tubing in this section.

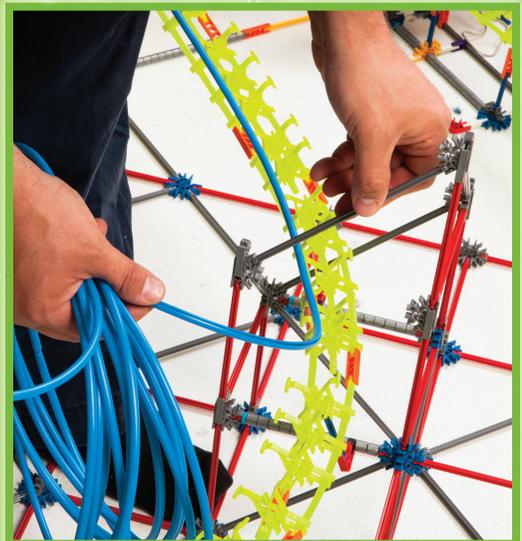

Débrancher cette bielle grise ici de sorte que vous pouvez attacher le tube.

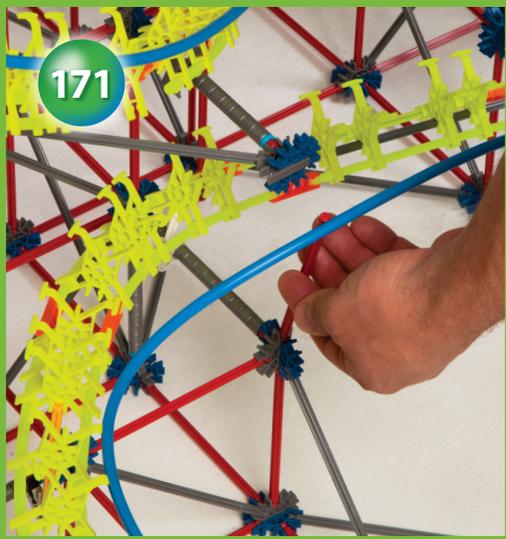

Reconnect the gray rod when the attachment is complete.

Rebrancher la bielle grise lorsque l'attachement est terminé.

170

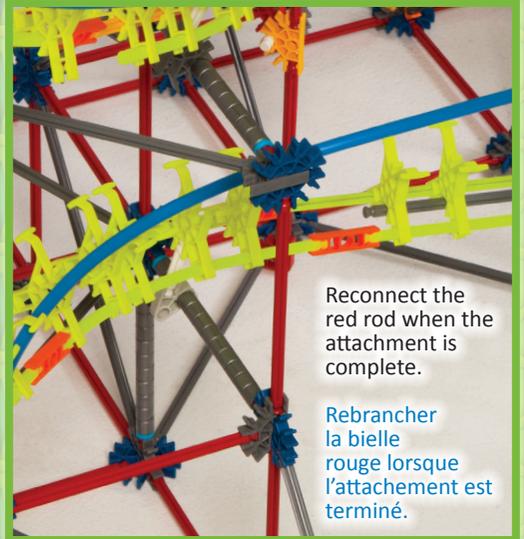

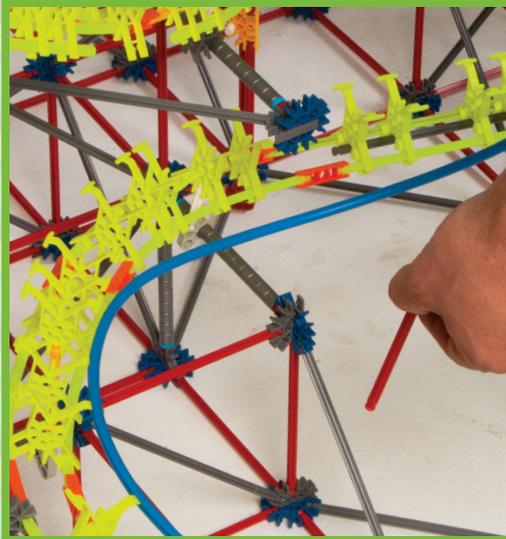

171

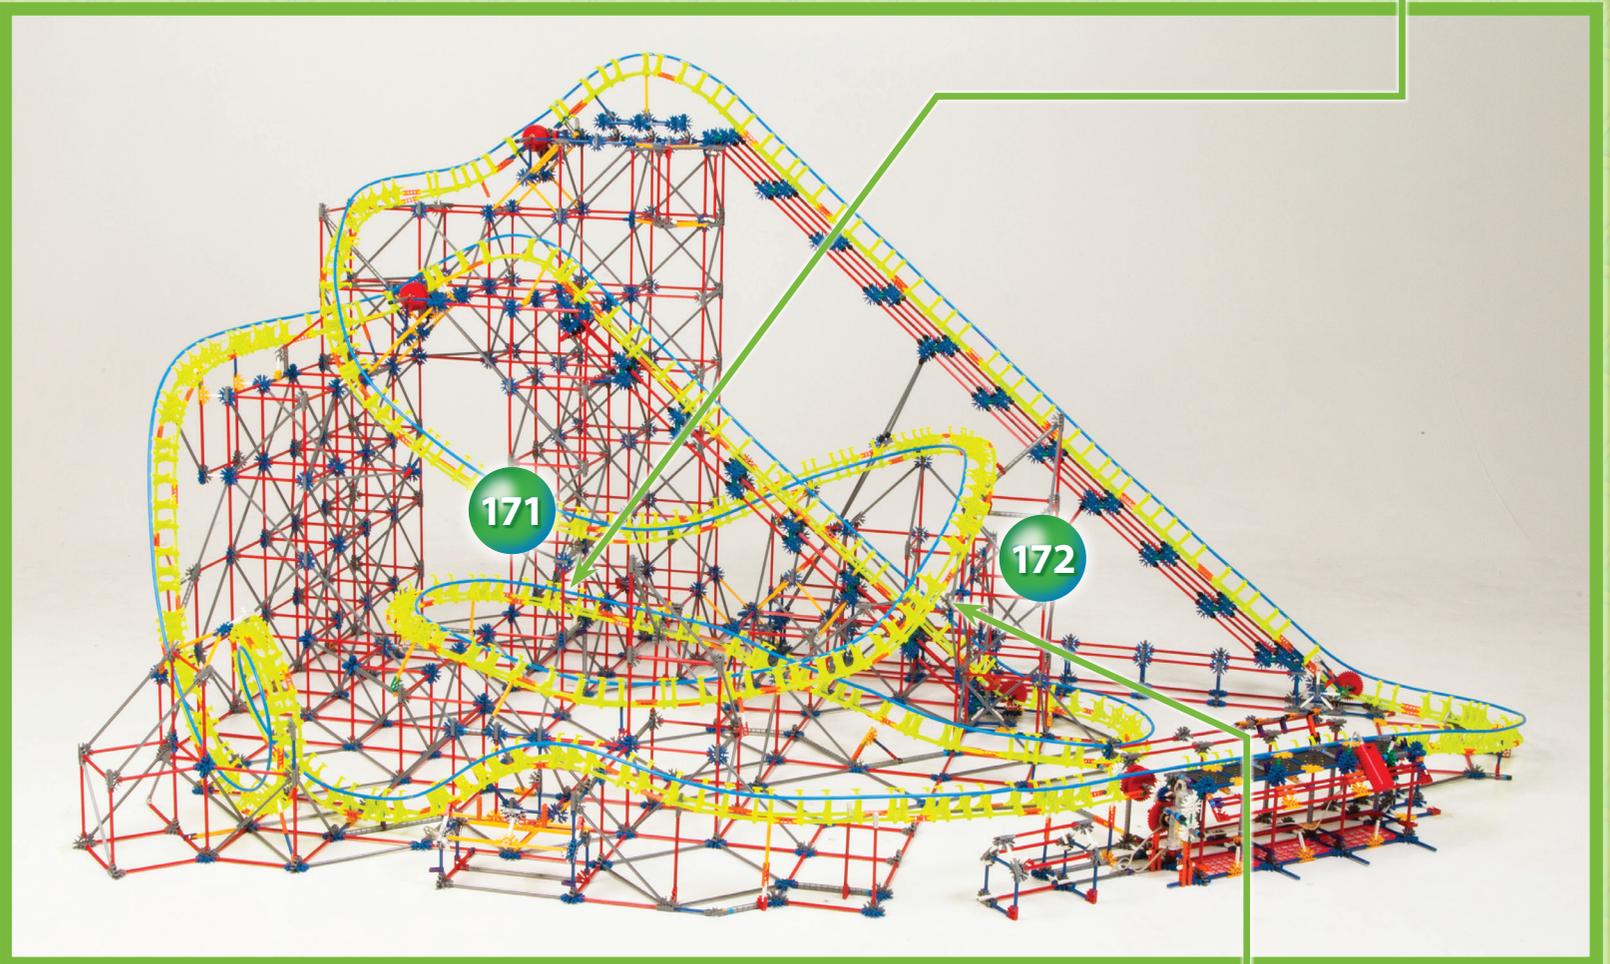

Disconnect this red rod so you can attach the tubing in this section.

Débrancher cette bielle rouge ici de sorte que vous pouvez attacher le tube.

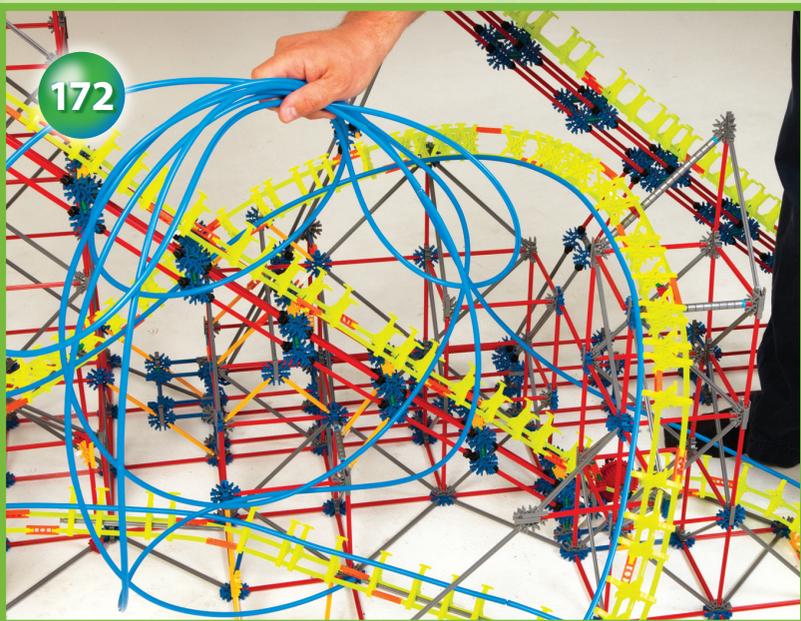

Reconnect the red rod when the attachment is complete.

Rebrancher la bielle rouge lorsque l'attachement est terminé.

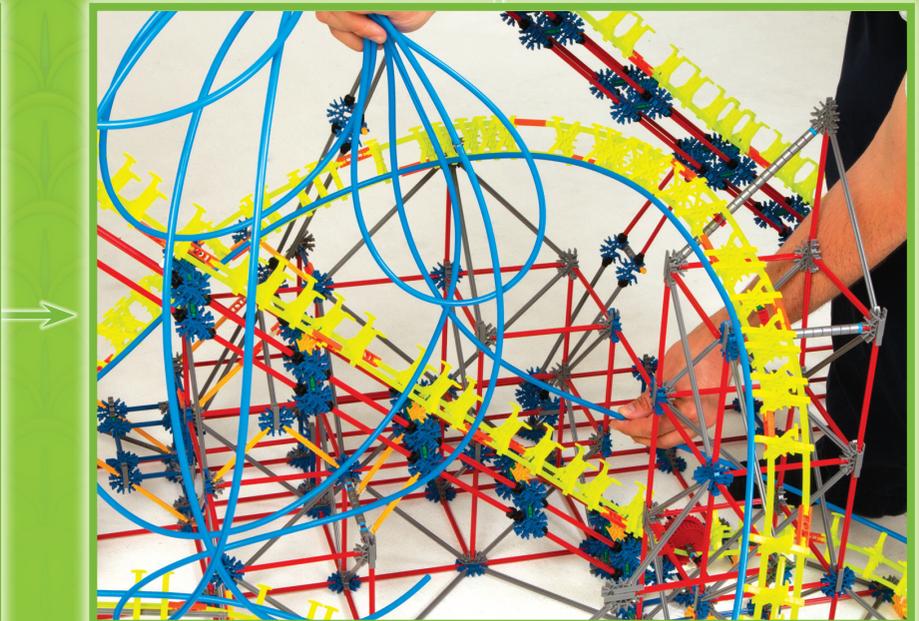

171

172

172

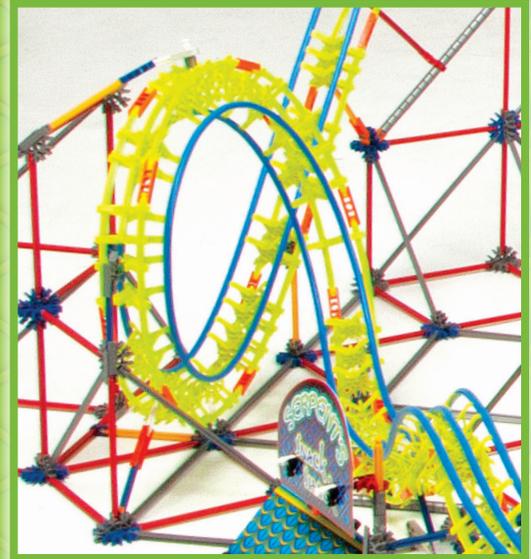

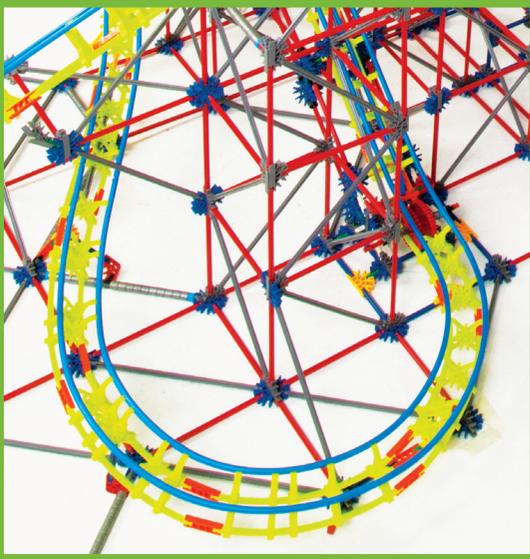

Do this before you cut the blue tubing!

IMPORTANT TIP: Take a few minutes to adjust all the sections of the blue tubing and green track being careful to make the curves, hills, and loop as smooth and even as possible. Try to match the pictures as best you can.

A faire avant de couper le tube bleu !

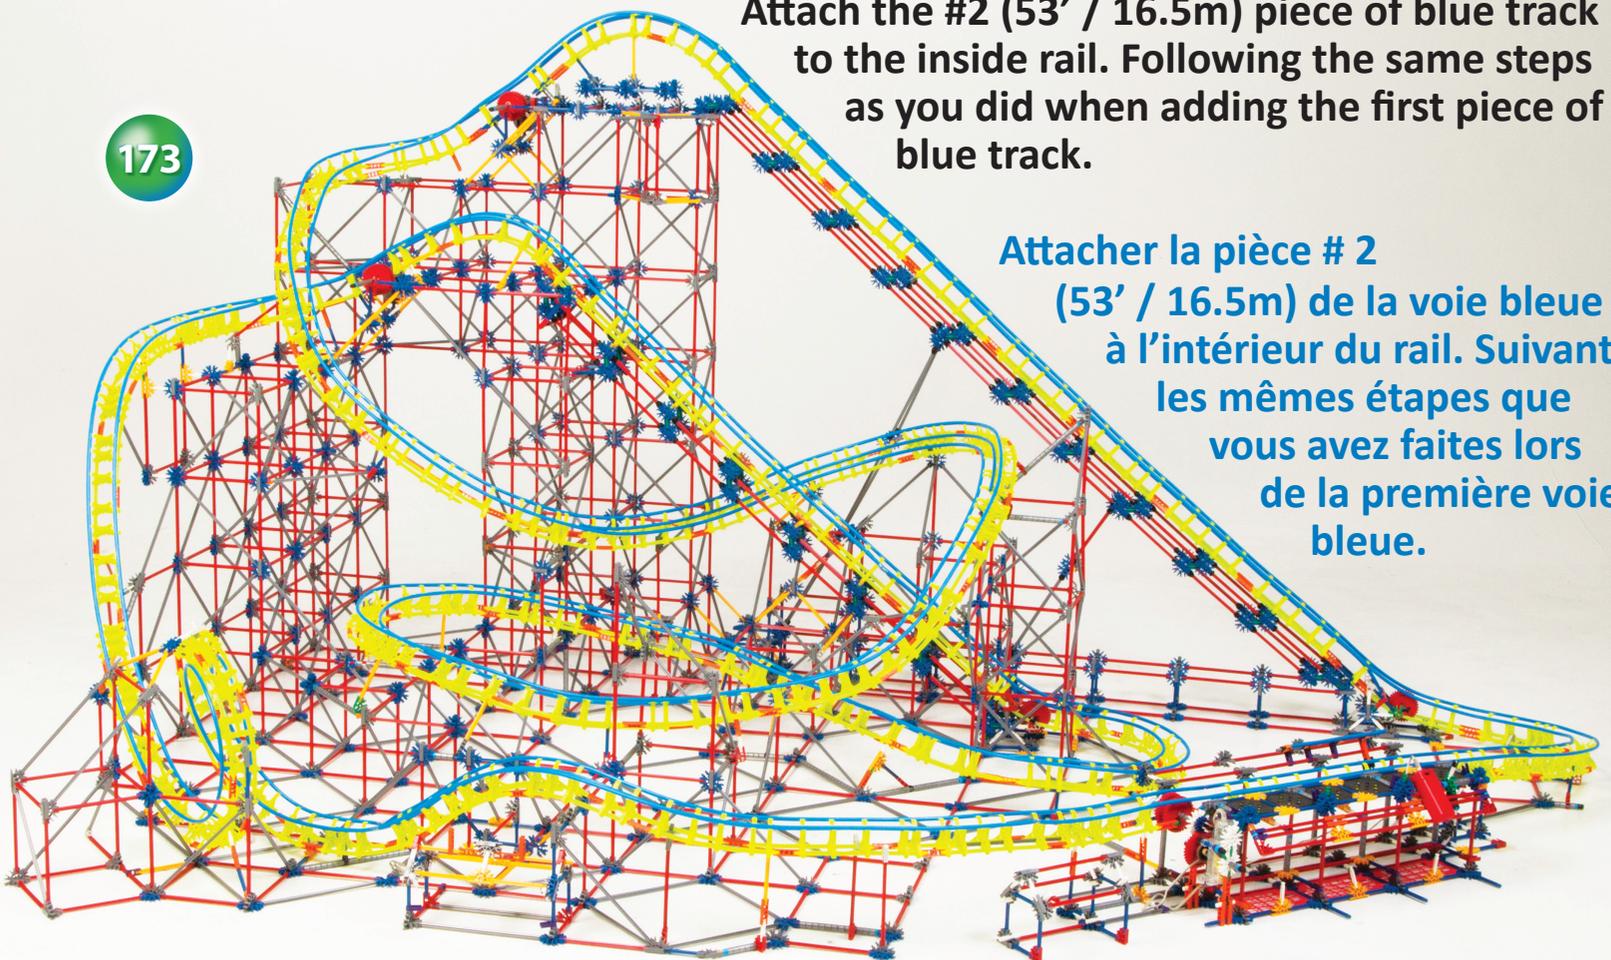

CONSEIL IMPORTANT : Prenez quelques minutes pour régler toutes les sections du tube bleu et la voie verte en prenant soin de faire les courbes, les collines et la boucle lisse et uniforme du possible. Essayez de faire correspondre les photos du mieux que vous pouvez.

173

Attach the #2 (53' / 16.5m) piece of blue track to the inside rail. Following the same steps as you did when adding the first piece of blue track.

Attacher la pièce # 2 (53' / 16.5m) de la voie bleue à l'intérieur du rail. Suivant les mêmes étapes que vous avez faites lors de la première voie bleue.

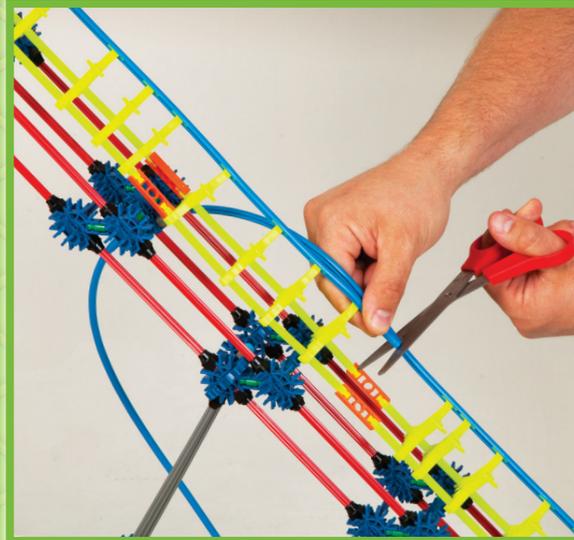

After the 2 pieces of track tubing have been carefully adjusted, you can trim the ends and splice them together.

Après avoir soigneusement réglé les 2 tubes de la voie, vous pouvez ajuster les extrémités et joint ensemble les morceaux.

Line up the ends of the first piece of blue tubing in between 2 green track connectors.

Aligner les bouts du premier morceau de tube bleu entre les 2 connecteurs de la voie verte.

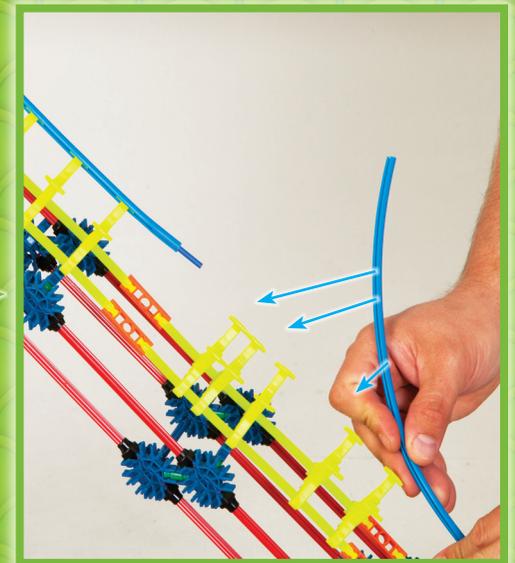

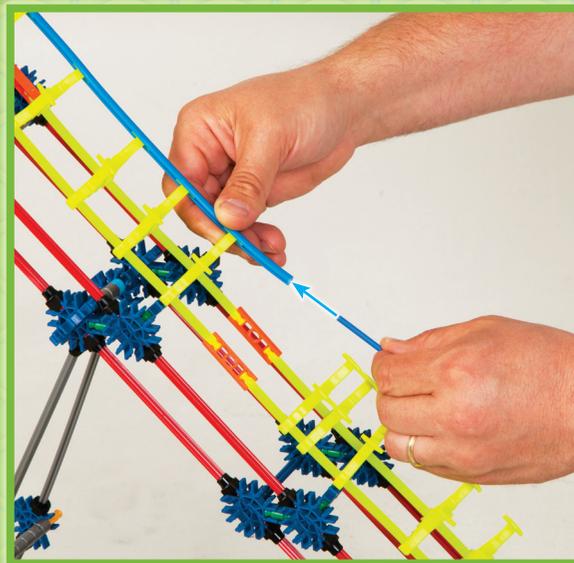

You will need sharp scissors to cut the track. Keep your hands and fingers away from the blades and especially the points of the blades in case your cutting hand slips. Adult help is recommended.

Il te faudra des ciseaux bien aiguisés pour couper la voie. Garde tes mains et tes doigts à l'écart des lames et surtout les pointes des lames en cas de glissement de la main avec laquelle tu coupes. L'aide d'un adulte est recommandée.

Use a blue splice pin to connect the 2 ends together. Use these anytime you have to connect the tubing together.

Utiliser le broche de raccordement bleu pour connecter les 2 extrémités ensemble. A utiliser à tout moment pour connecter la tubulure ensemble.

IMPORTANT TIP: Adjust all the blue tubing before you prepare to cut the tubing to fit!

CONSEIL IMPORTANT : Ajustez toutes les tubes bleu avant de commencer à couper le tuyau !

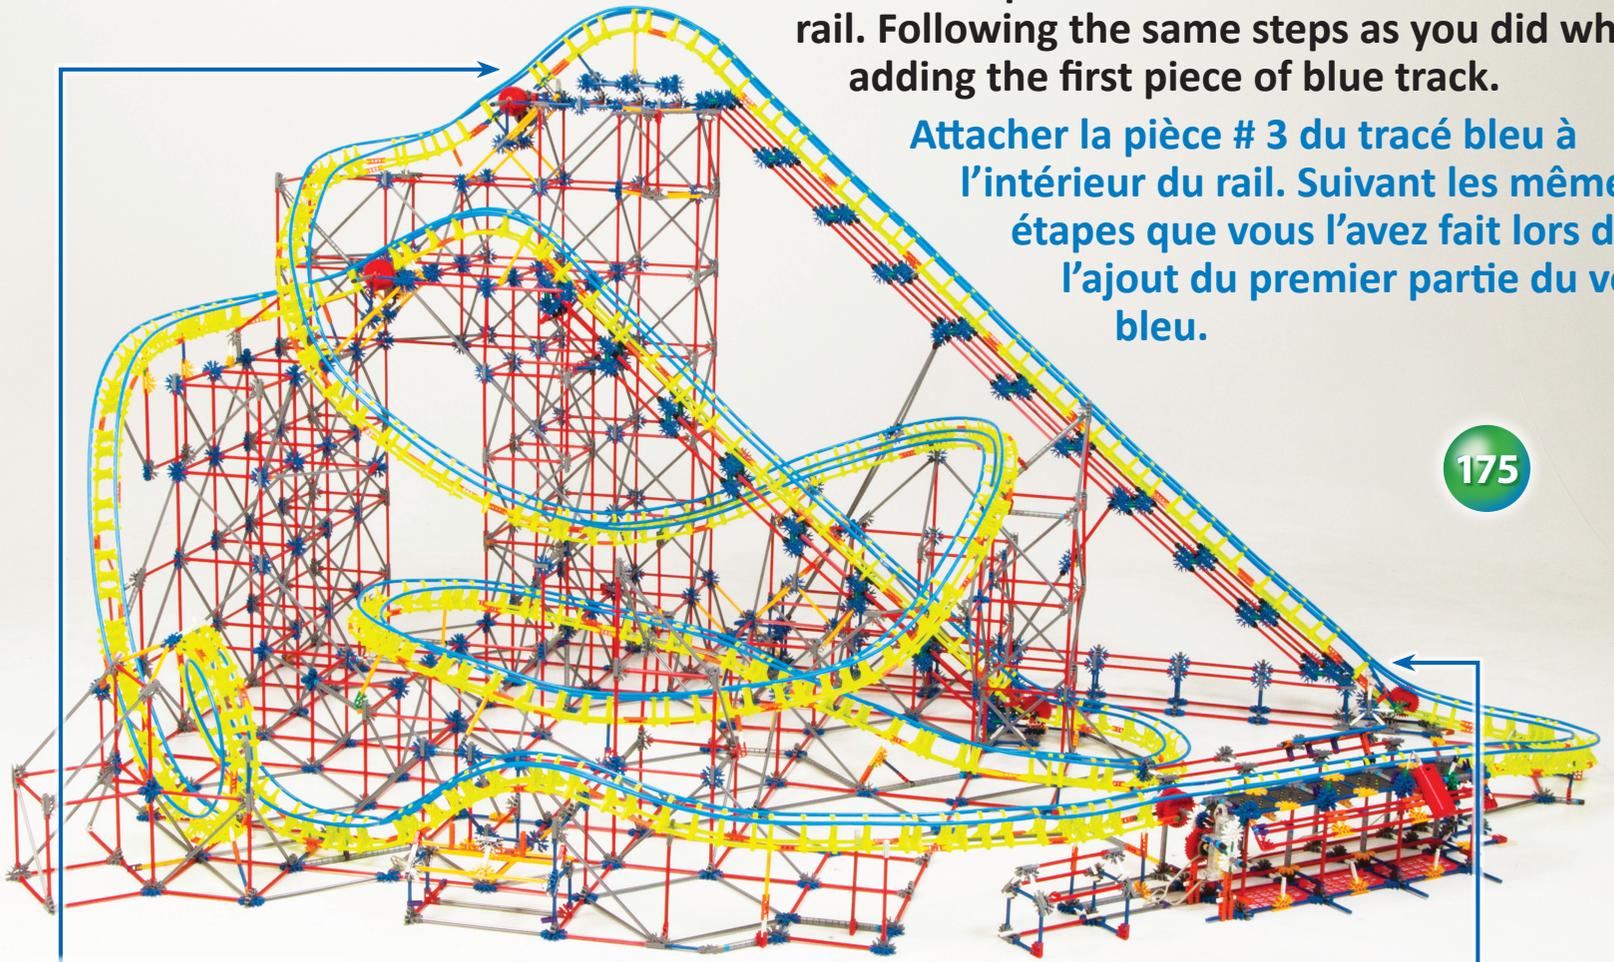

Trim and connect the second piece of tubing in the same manner.
TIP: DON'T THROW AWAY ANY EXTRA TRACK.

Couper et connecter le deuxième morceau de tuyau de la même façon. CONSEIL : A CONSERVER TOUS LES VOIES SUPPLÉMENTAIRES.

Attach the #3 piece of blue track to the inside rail. Following the same steps as you did when adding the first piece of blue track.

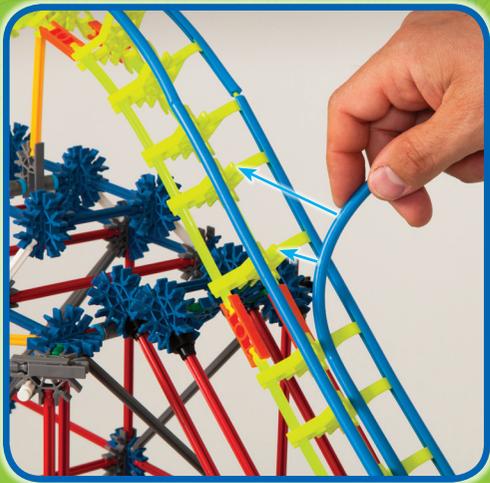

Attacher la pièce # 3 du tracé bleu à l'intérieur du rail. Suivant les mêmes étapes que vous l'avez fait lors de l'ajout du premier partie du voie bleu.

175

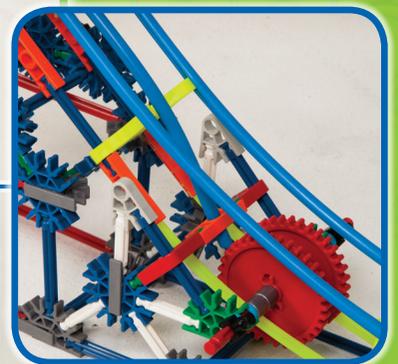

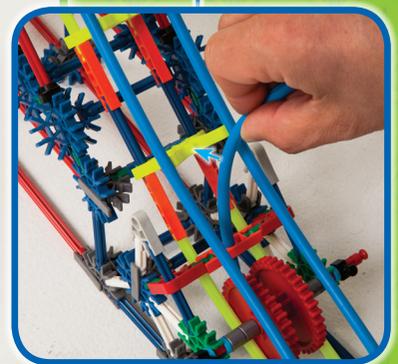

IMPORTANT TIP: Adjust all the blue tubing before you prepare to cut the tubing to fit!

CONSEIL IMPORTANT : Ajustez toutes les tubes bleu avant de commencer à couper le tuyau !

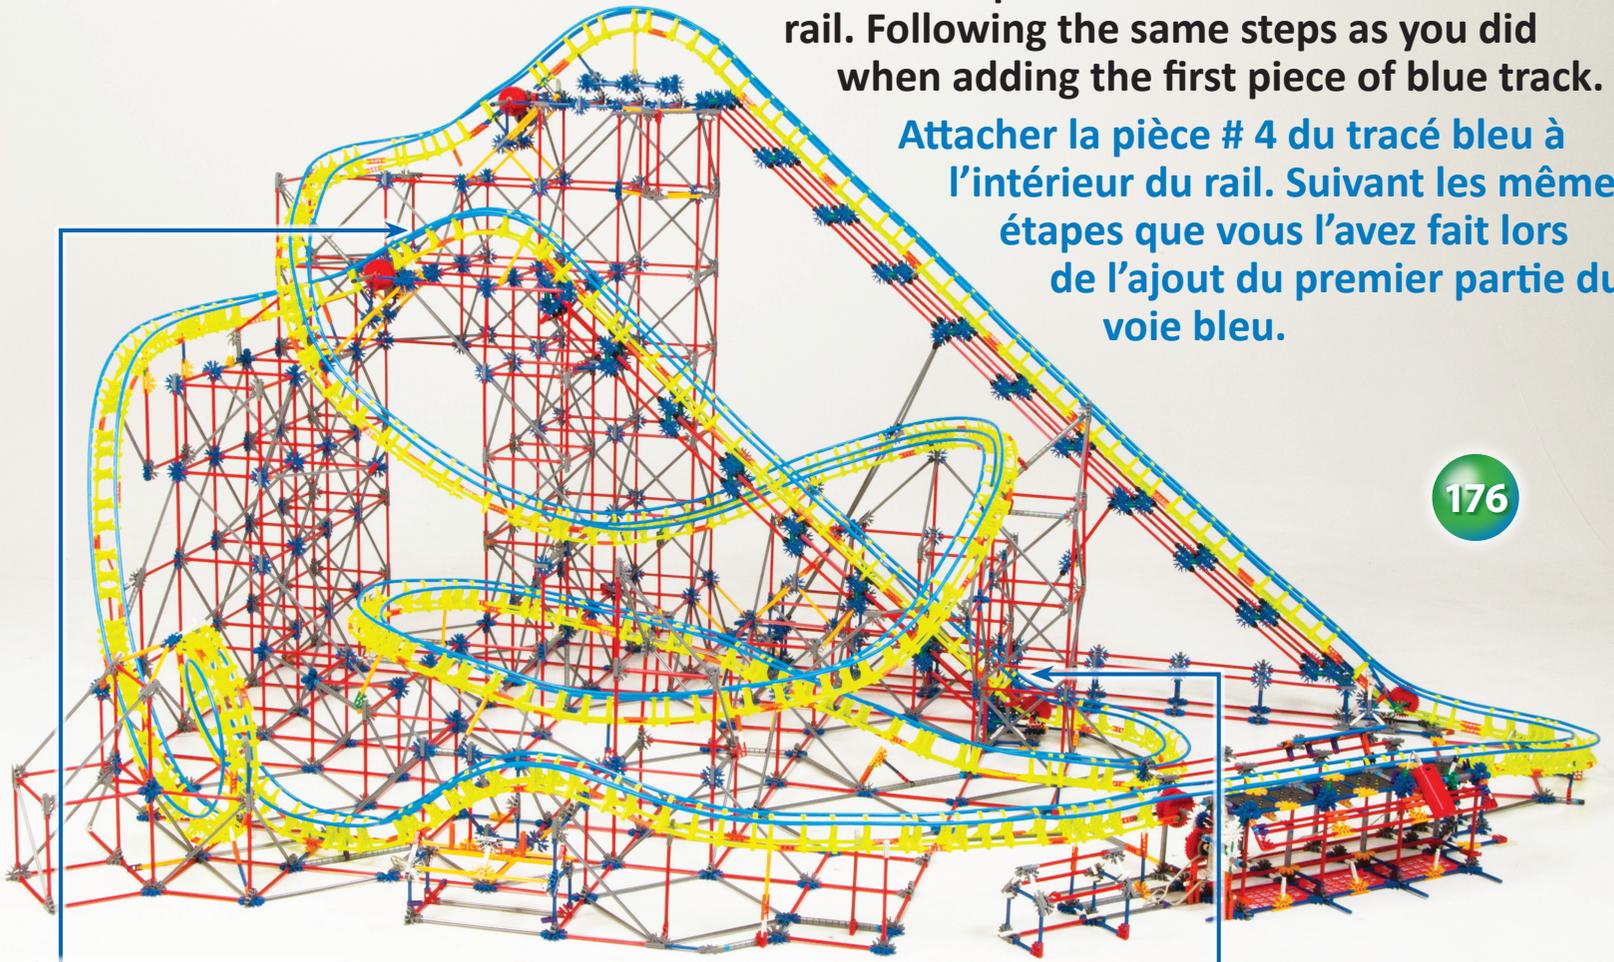

175

Attach the #4 piece of blue track to the inside rail. Following the same steps as you did when adding the first piece of blue track.

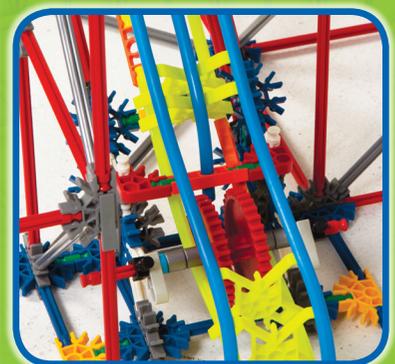

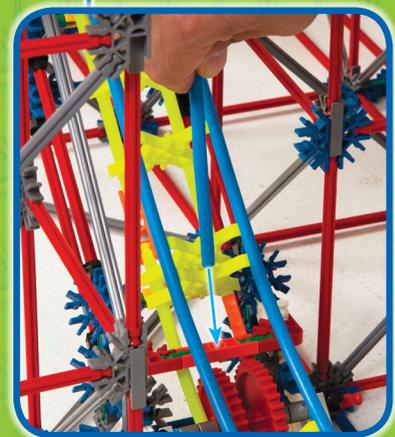

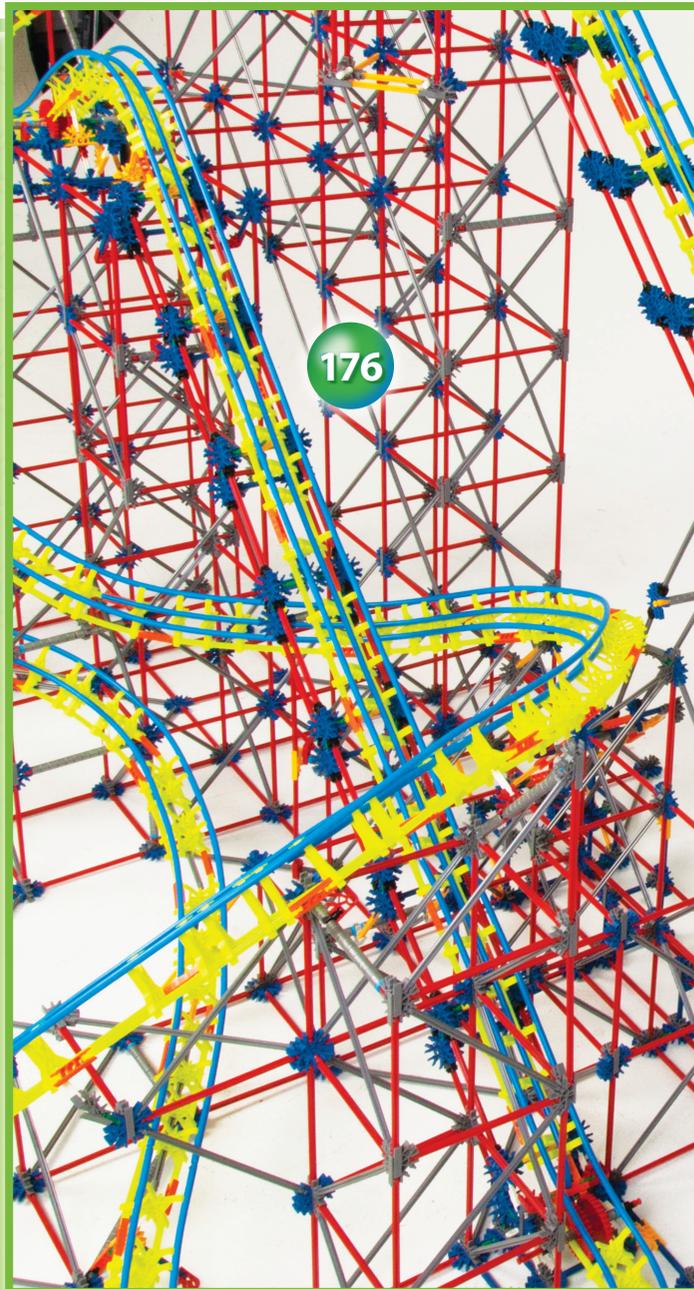

Attacher la pièce # 4 du tracé bleu à l'intérieur du rail. Suivant les mêmes étapes que vous l'avez fait lors de l'ajout du premier partie du voie bleu.

176

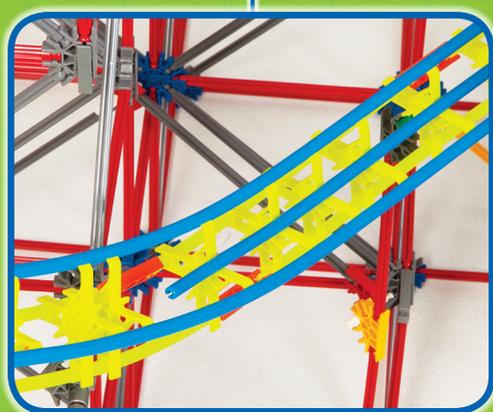

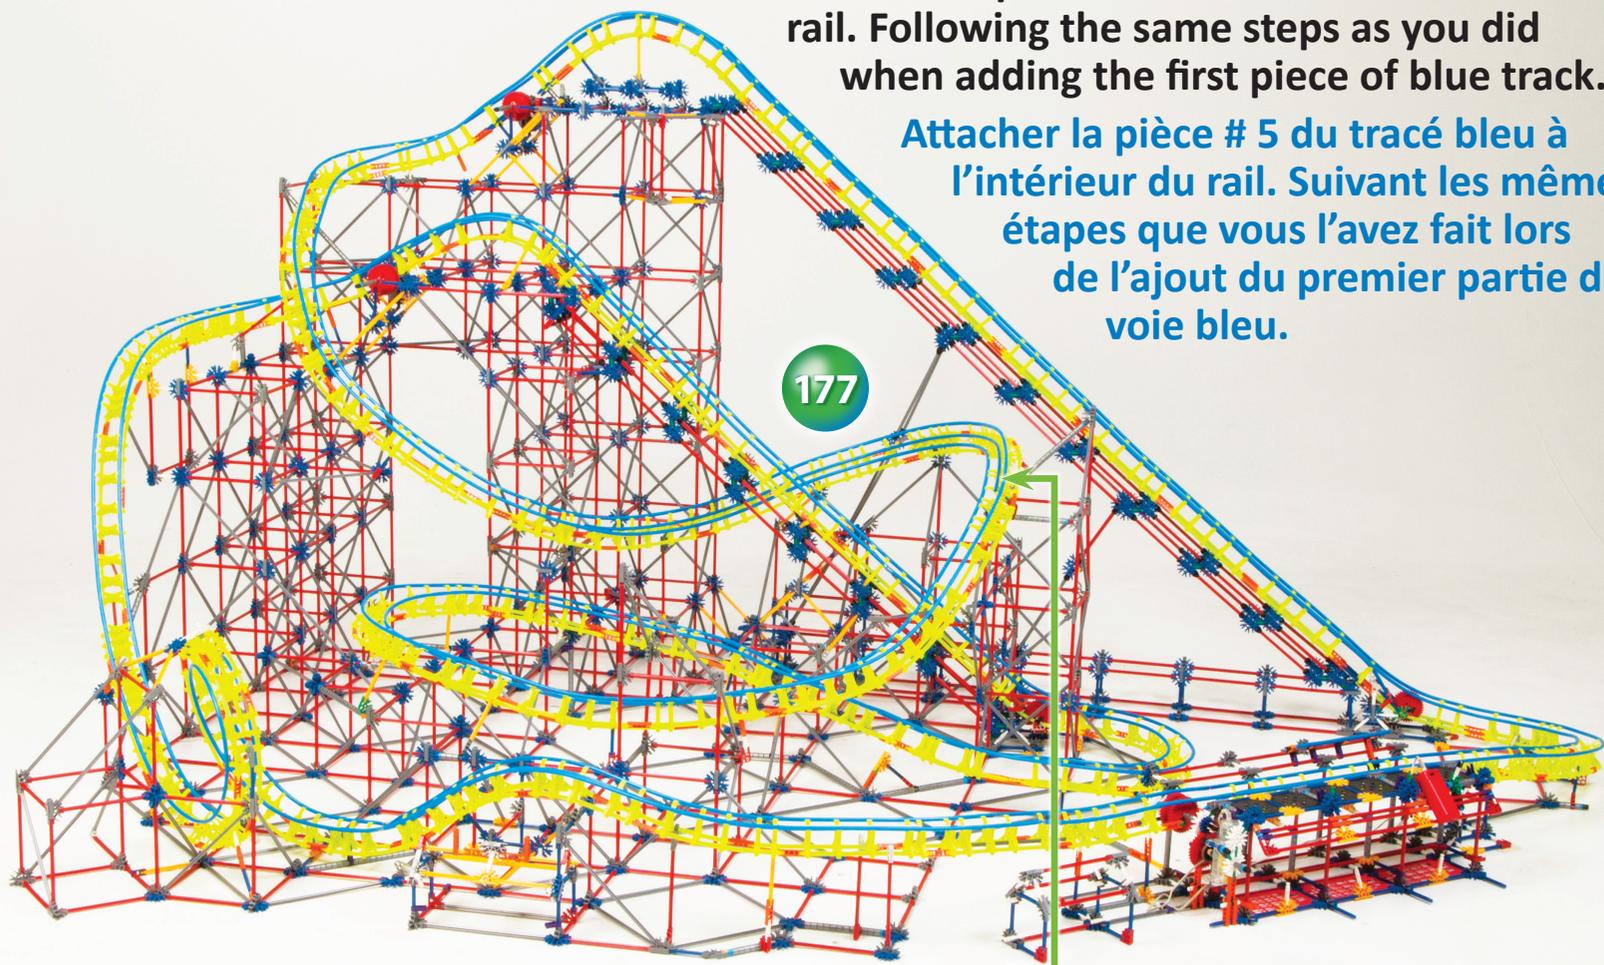

IMPORTANT TIP: Adjust all the blue tubing before you prepare to cut the tubing to fit!

CONSEIL IMPORTANT : Ajustez toutes les tubes bleu avant de commencer à couper le tuyau !

Attach the #5 piece of blue track to the inside rail. Following the same steps as you did when adding the first piece of blue track.

Attacher la pièce # 5 du tracé bleu à l'intérieur du rail. Suivant les mêmes étapes que vous l'avez fait lors de l'ajout du premier partie du voie bleu.

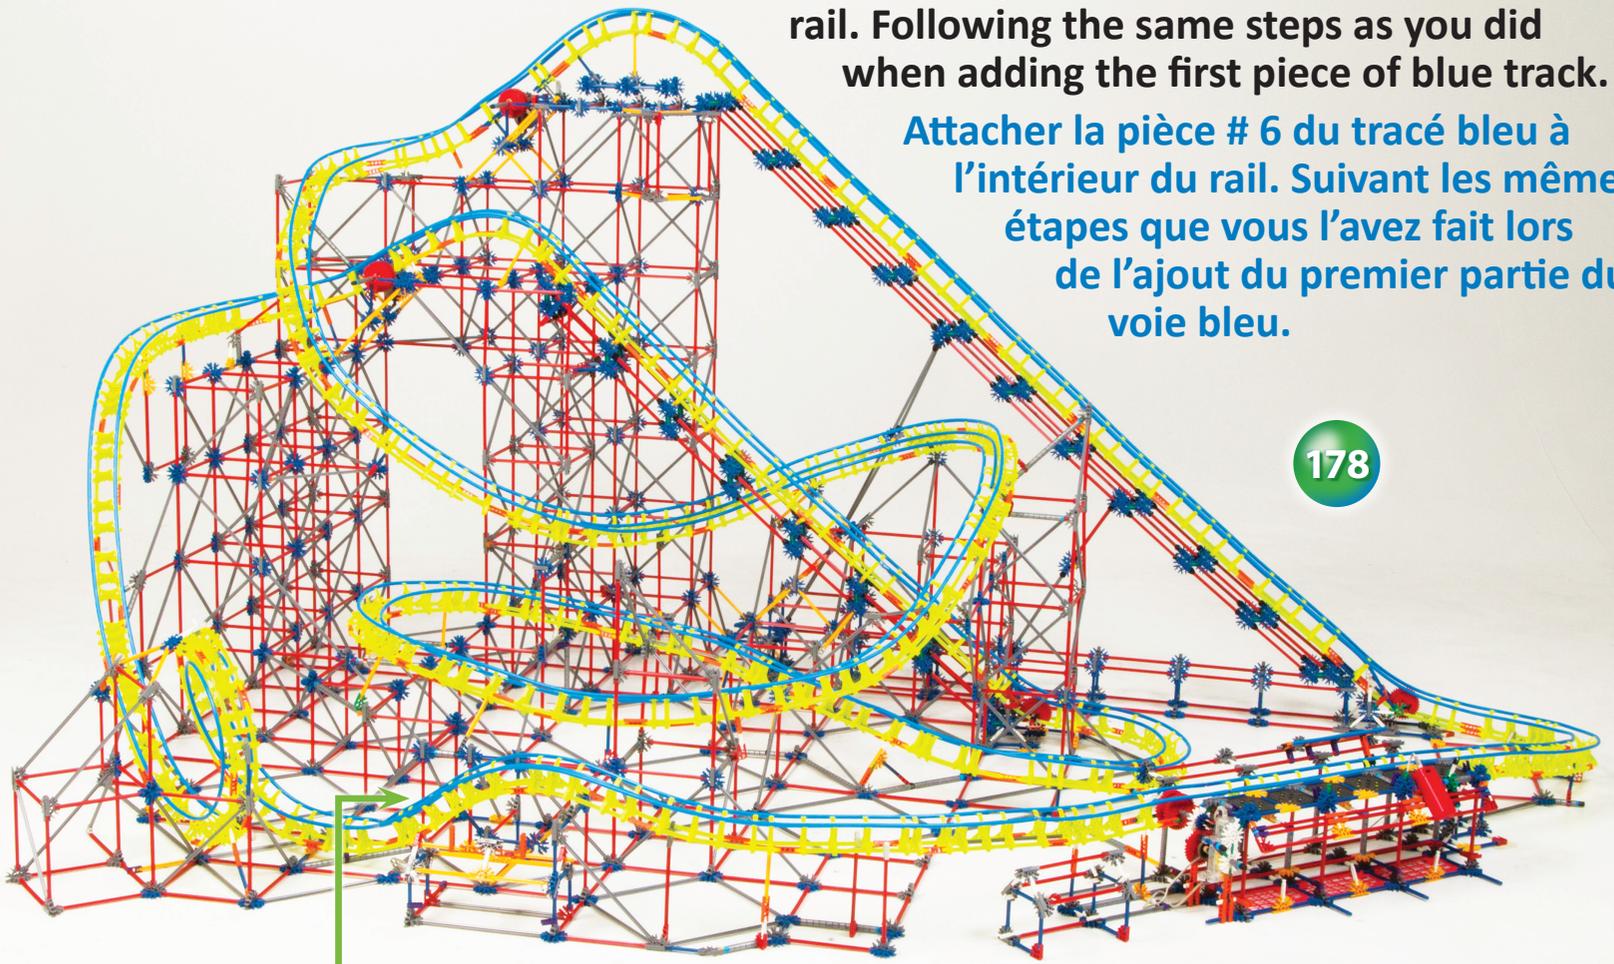

IMPORTANT TIP: Adjust all the blue tubing before you prepare to cut the tubing to fit!

CONSEIL IMPORTANT : Ajustez toutes les tubes bleu avant de commencer à couper le tuyau !

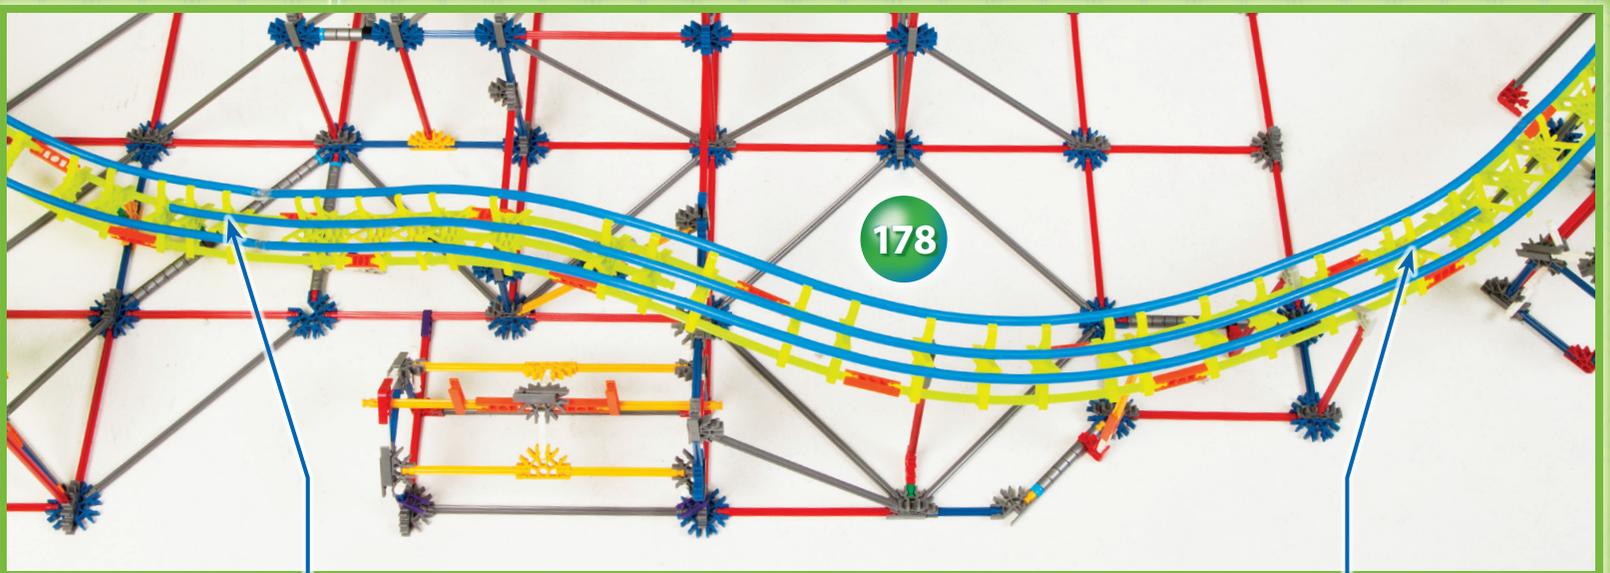

Attach the #6 piece of blue track to the inside rail. Following the same steps as you did when adding the first piece of blue track.

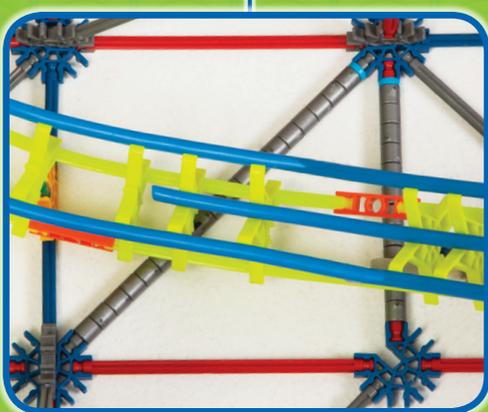

Attacher la pièce # 6 du tracé bleu à l'intérieur du rail. Suivant les mêmes étapes que vous l'avez fait lors de l'ajout du premier partie du voie bleu.

178

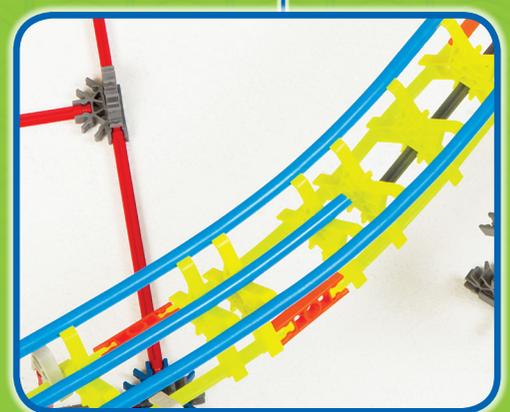

178

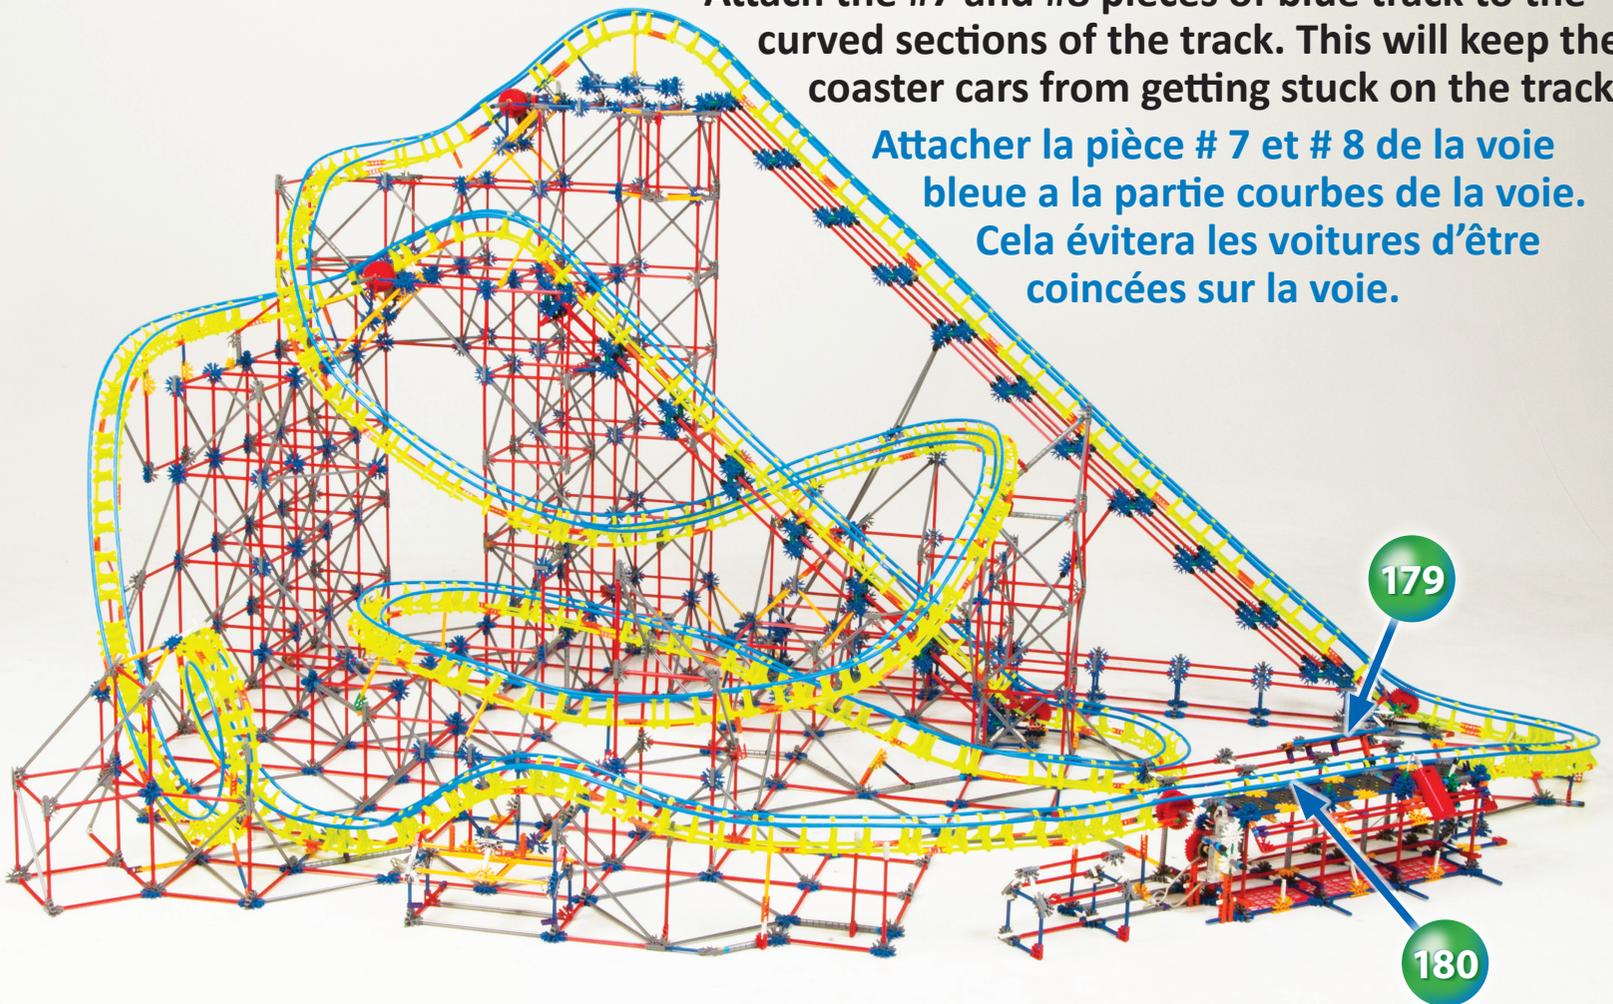

IMPORTANT TIP: Adjust all the blue tubing before you prepare to cut the tubing to fit!

CONSEIL IMPORTANT : Ajustez toutes les tubes bleu avant de commencer à couper le tuyau !

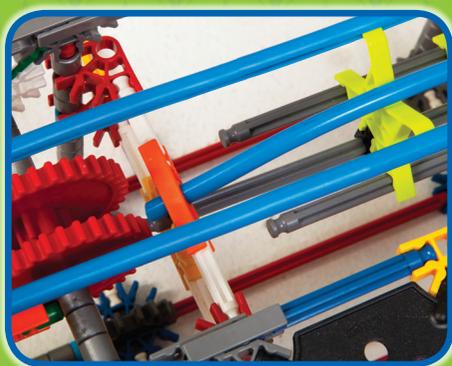

Attach the #7 and #8 pieces of blue track to the curved sections of the track. This will keep the coaster cars from getting stuck on the track.

Attacher la pièce # 7 et # 8 de la voie bleue a la partie courbes de la voie.
Cela évitera les voitures d'être coincées sur la voie.

IMPORTANT TIP: Adjust all the blue tubing before you prepare to cut the tubing to fit!

CONSEIL IMPORTANT : Ajustez toutes les tubes bleus avant de commencer à couper le tuyau !

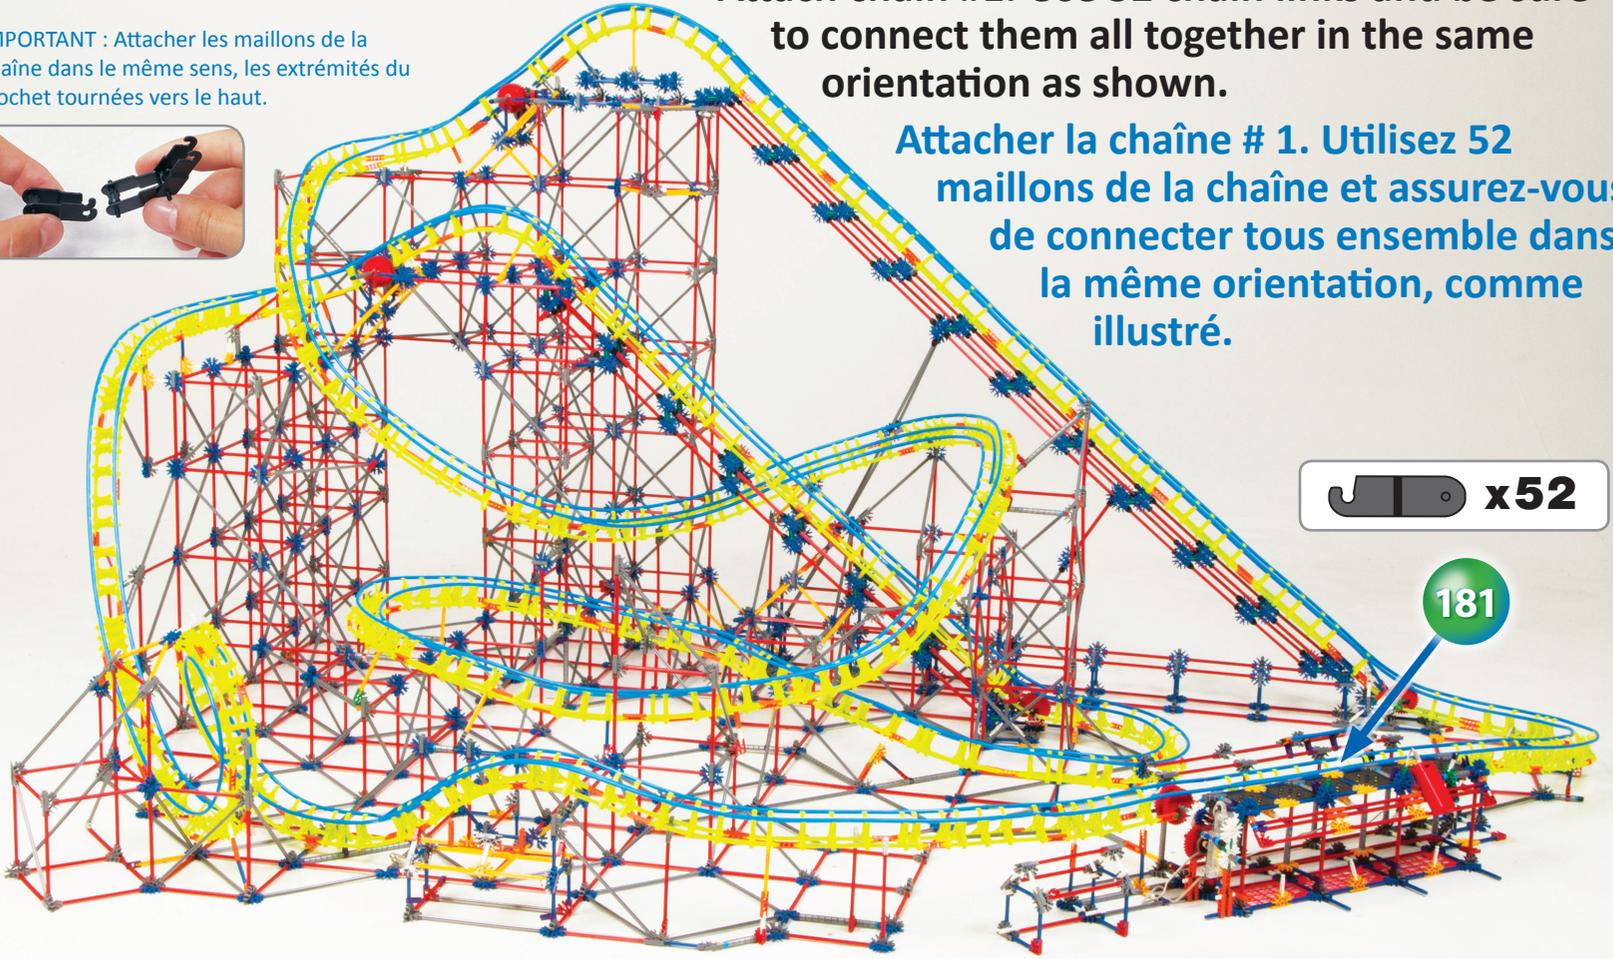

IMPORTANT: Attach all the chain links in the same direction with the hook ends facing up.

IMPORTANT : Attacher les maillons de la chaîne dans le même sens, les extrémités du crochet tournées vers le haut.

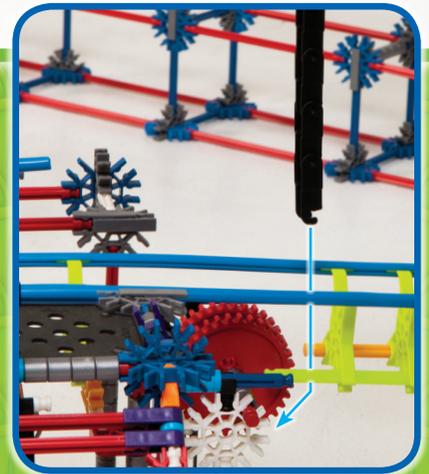

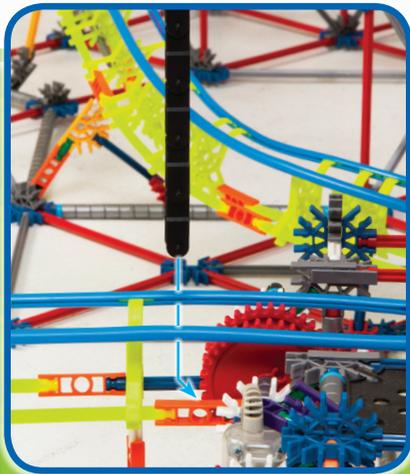

Attach chain #1. Use 52 chain links and be sure to connect them all together in the same orientation as shown.

Attacher la chaîne # 1. Utilisez 52 maillons de la chaîne et assurez-vous de connecter tous ensemble dans la même orientation, comme illustré.

186

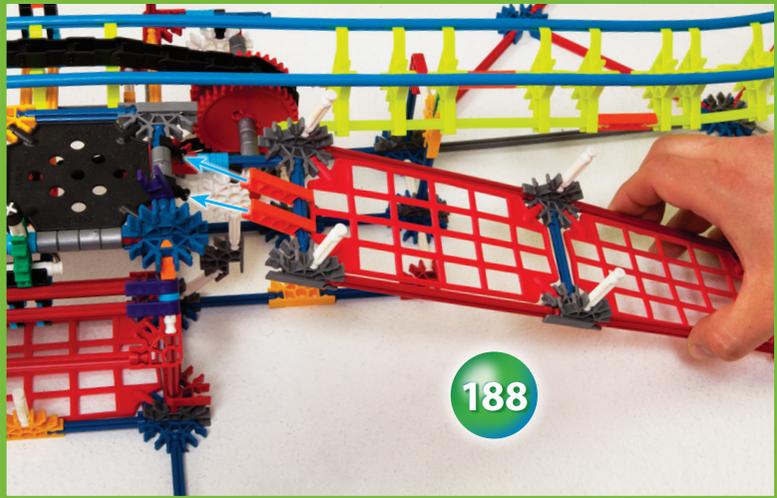

Connect both ends of the chain as shown.

Connecter les deux extrémités de la chaîne comme illustré.

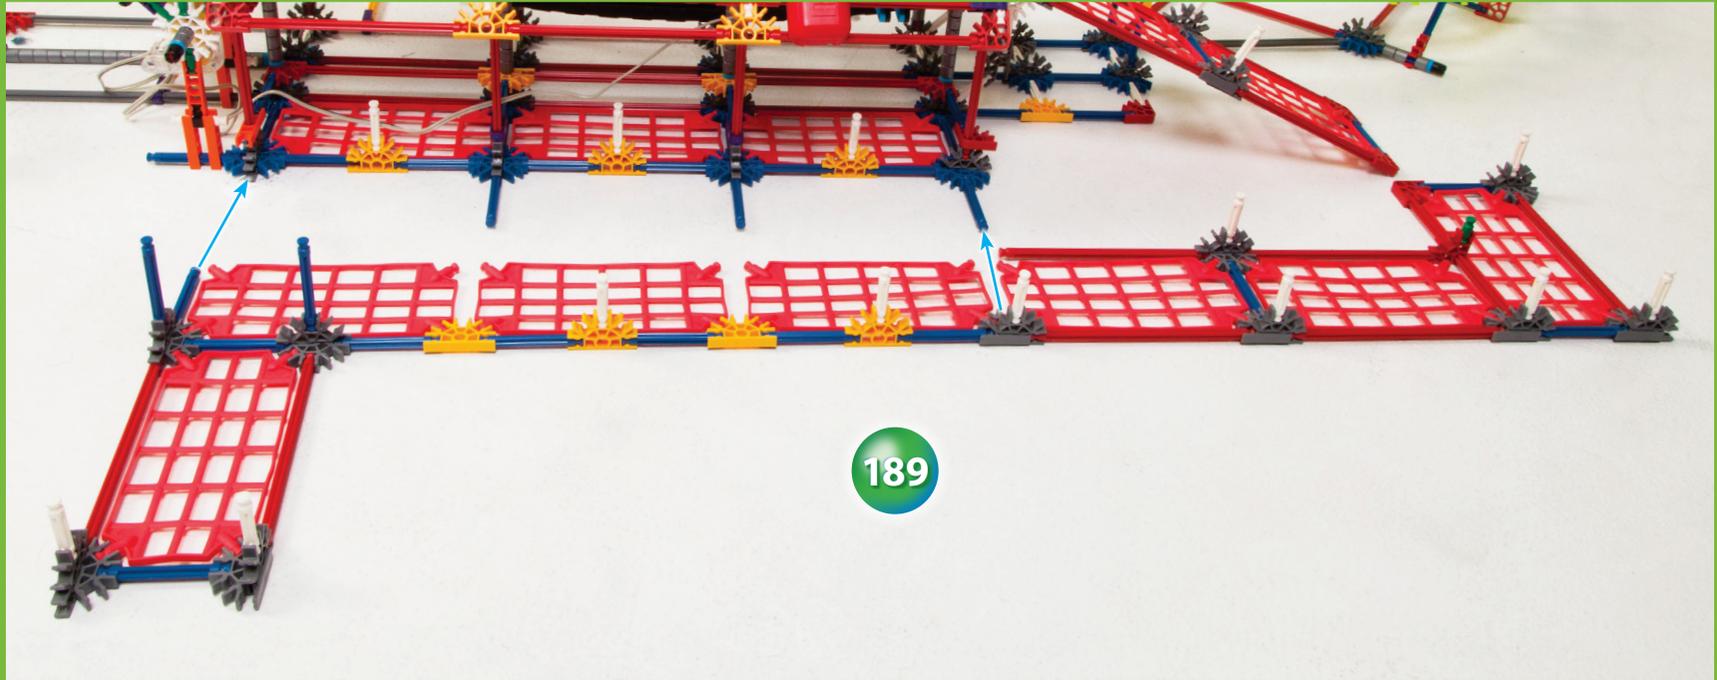

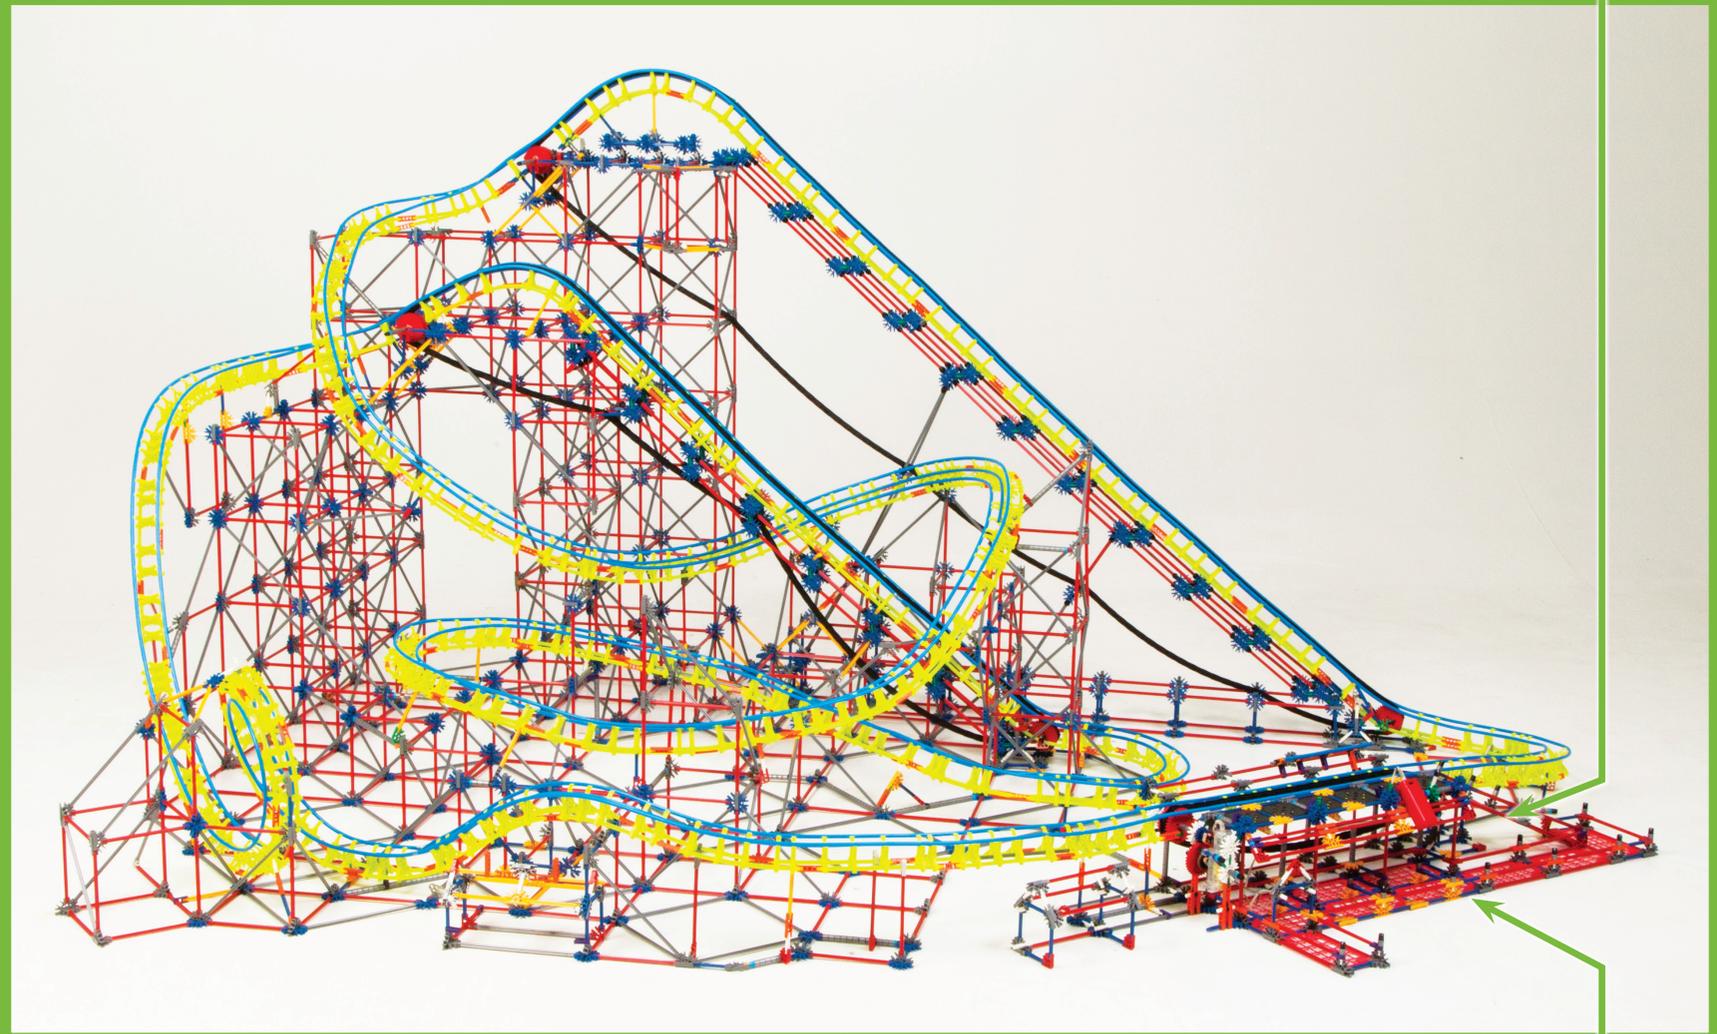

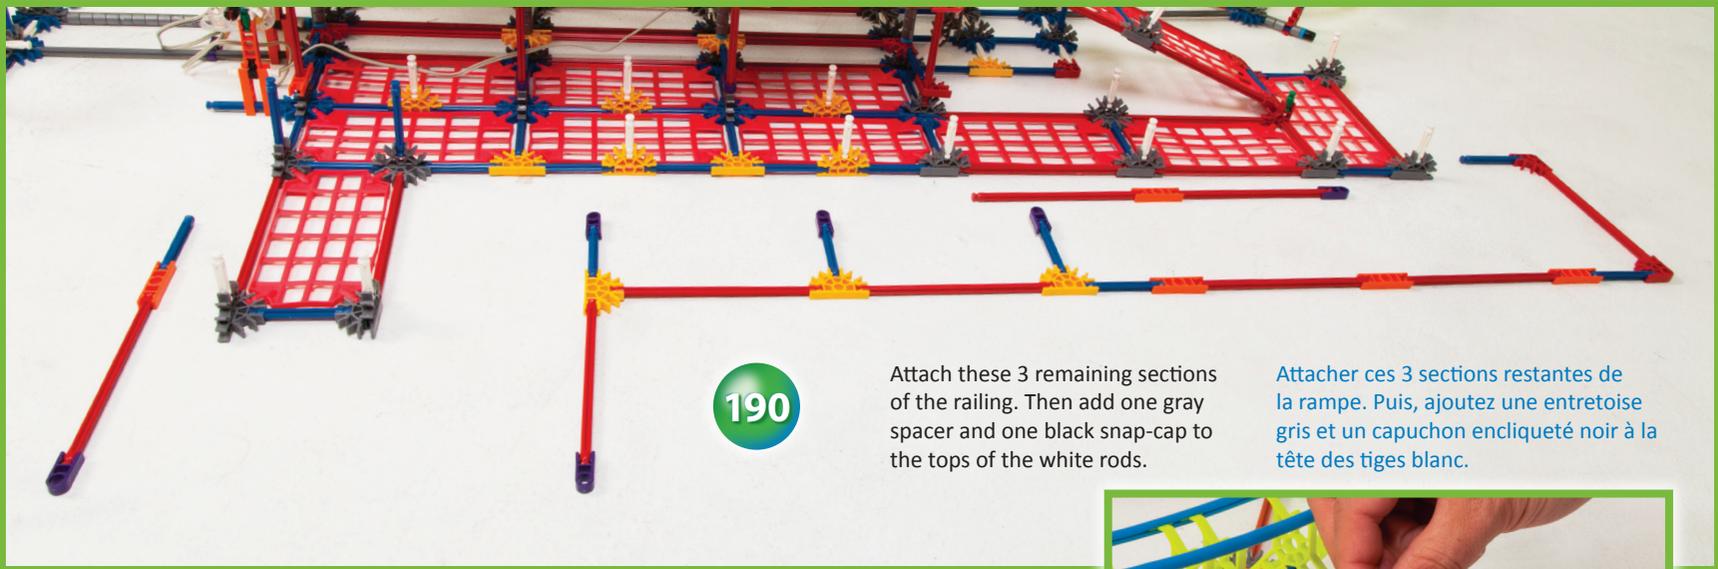

187

188

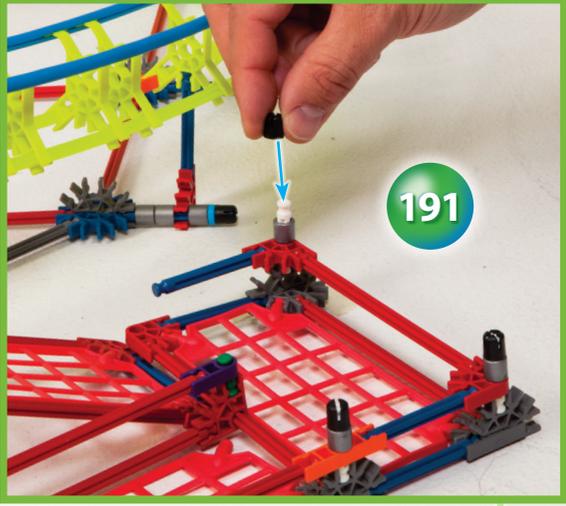

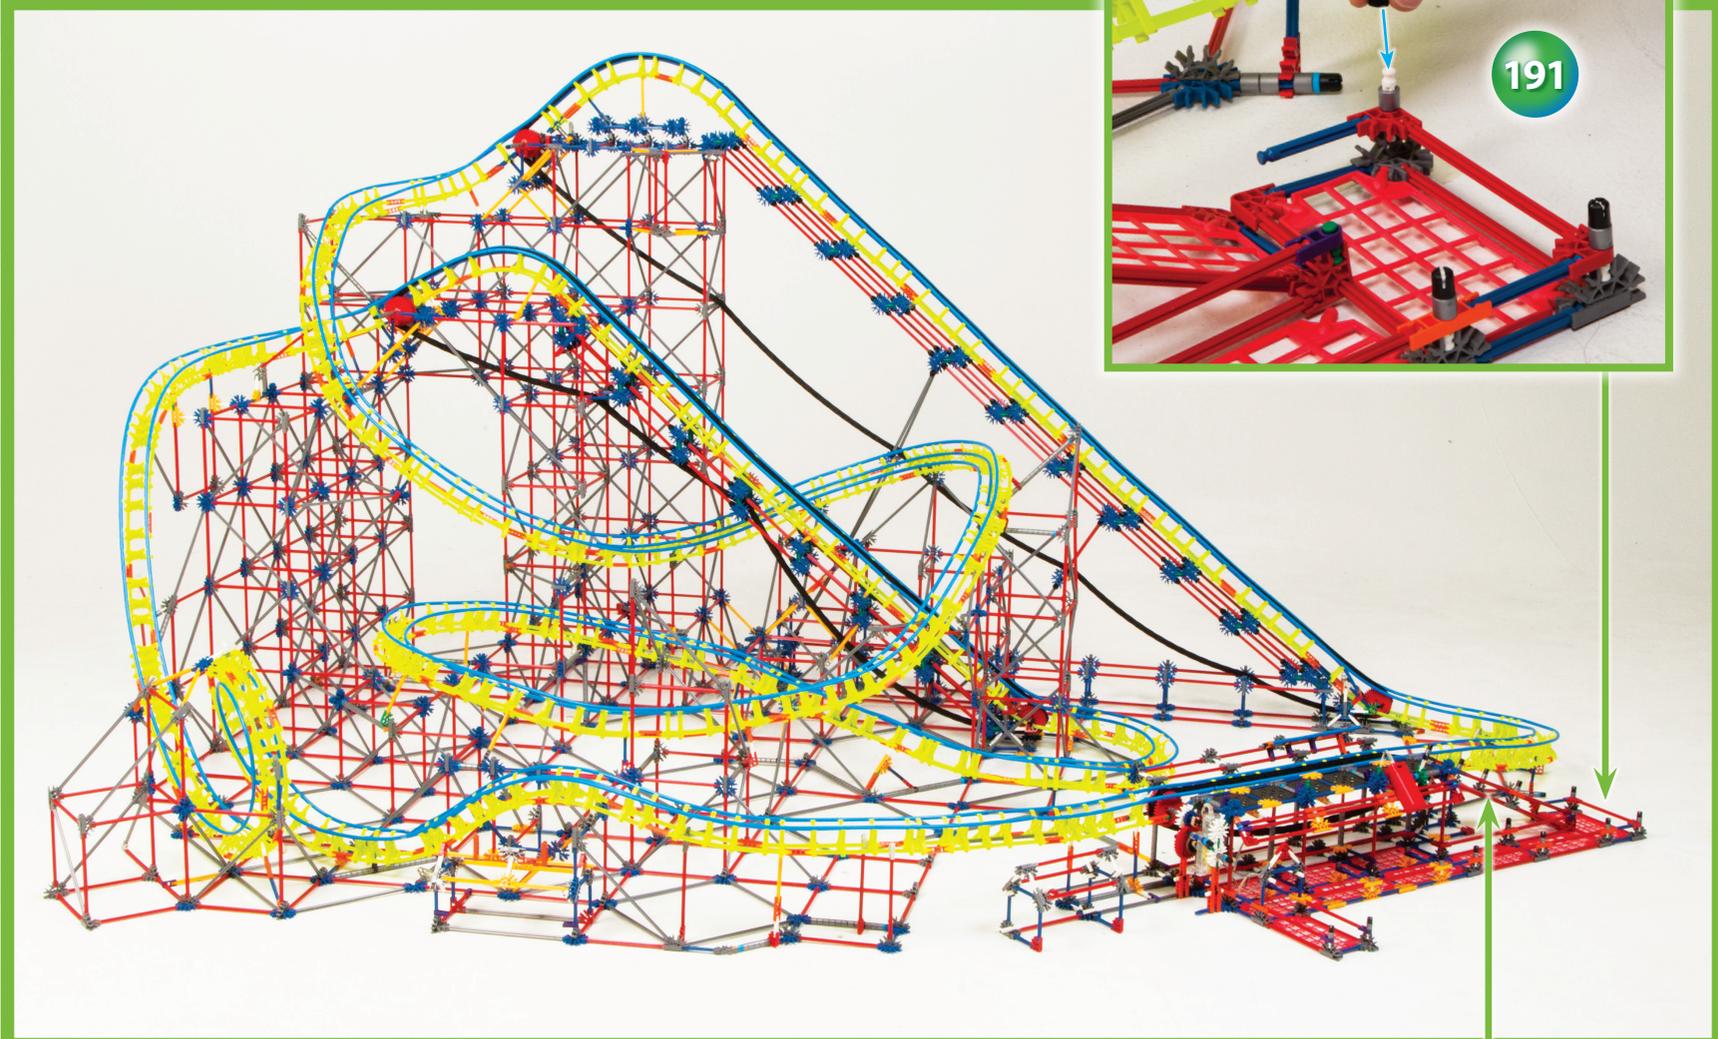

189

190

Attach these 3 remaining sections of the railing. Then add one gray spacer and one black snap-cap to the tops of the white rods.

Attacher ces 3 sections restantes de la rampe. Puis, ajoutez une entretoise gris et un capuchon encliqueté noir à la tête des tiges blanc.

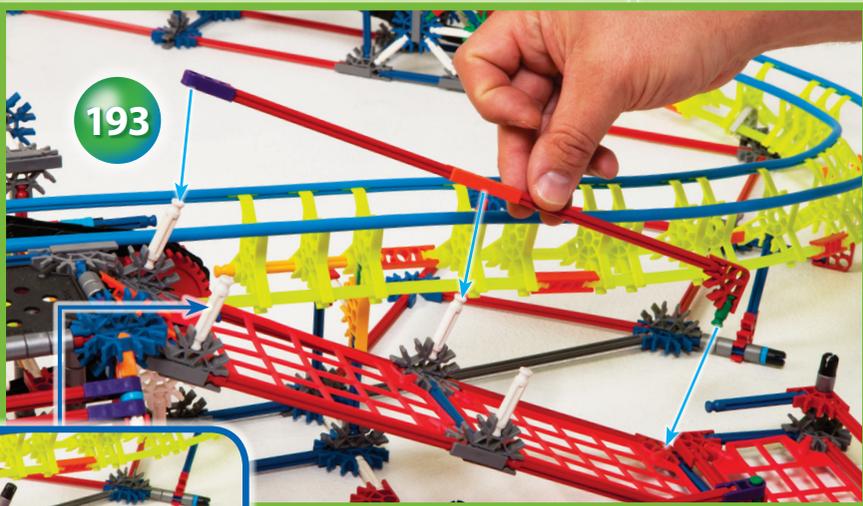

191

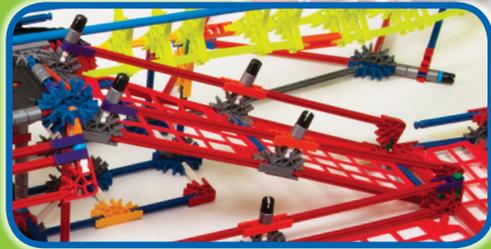

192

Step 193 shows 1 of the 2 identical sections of railing that you need to attach here. Build a second one and attach it opposite the first one. Then add one gray spacer and one black snap-cap to the tops of the white rods.

L'étape 193 montre 1 de 2 parties identiques de la rampe que vous devez attacher ici. Construisez un deuxième et attachez-le en face de la première. Puis, ajoutez une entretoise gris et un capuchon encliqueté noir à la tête des tiges blanc.

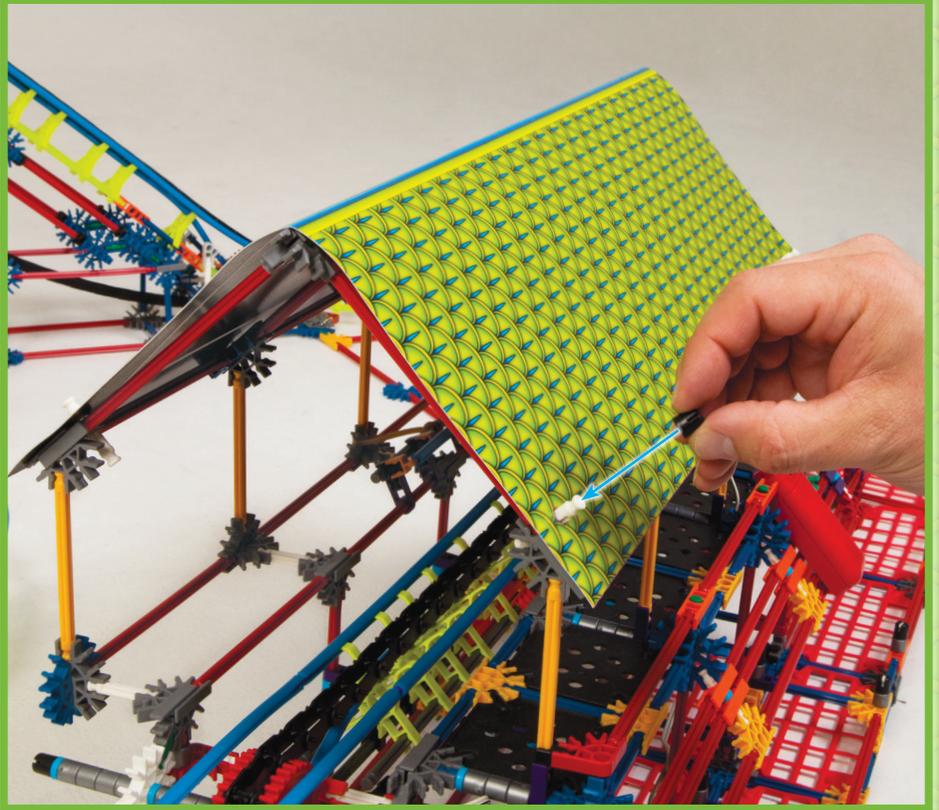

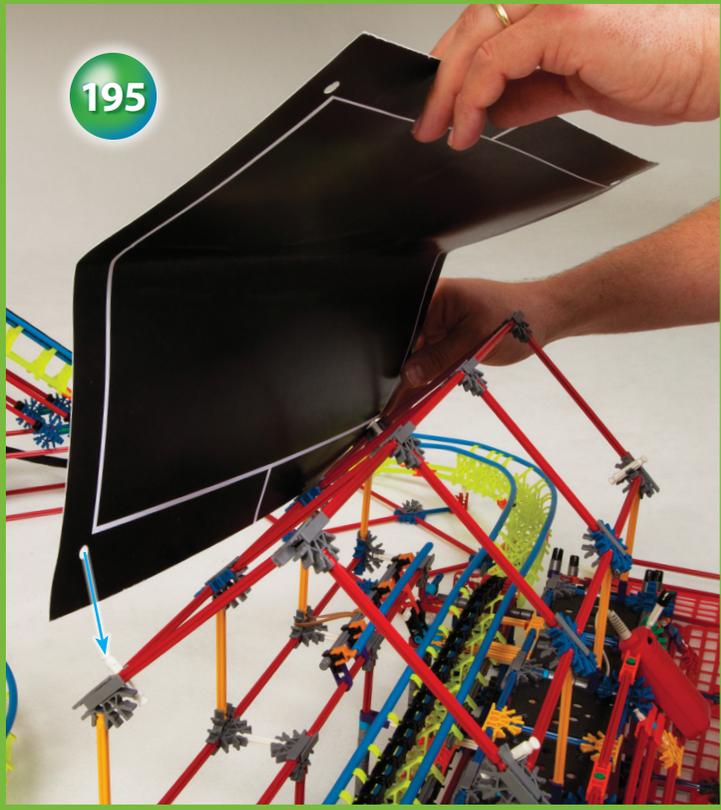

193

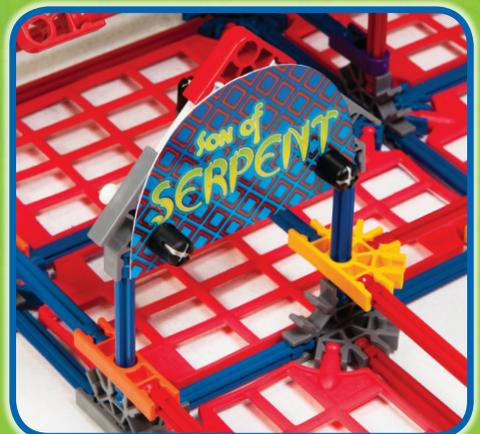

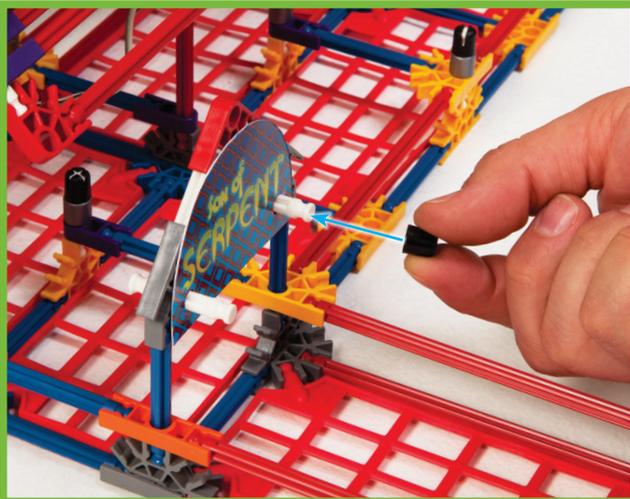

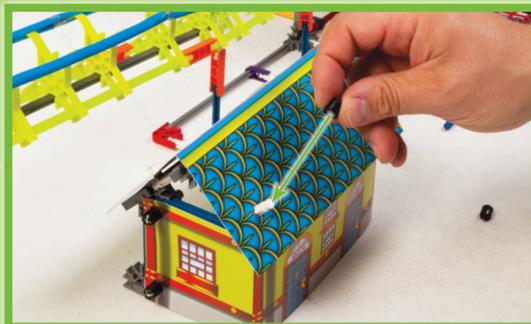

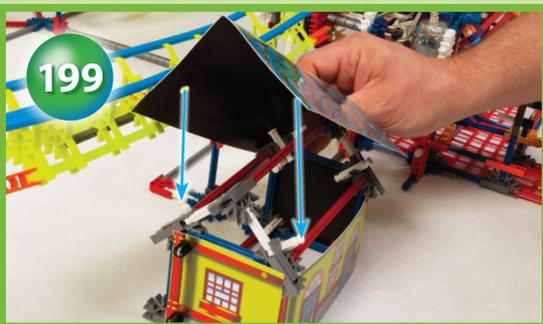

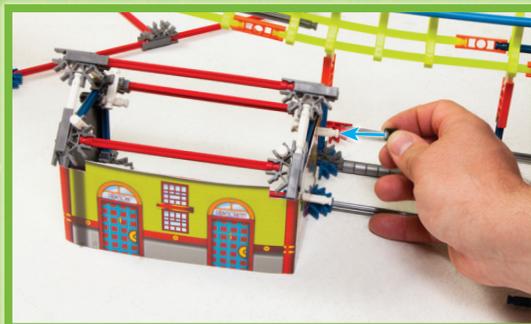

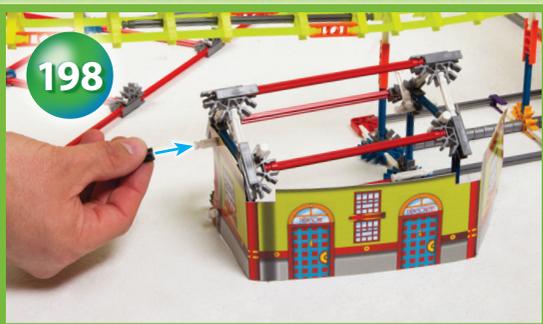

195

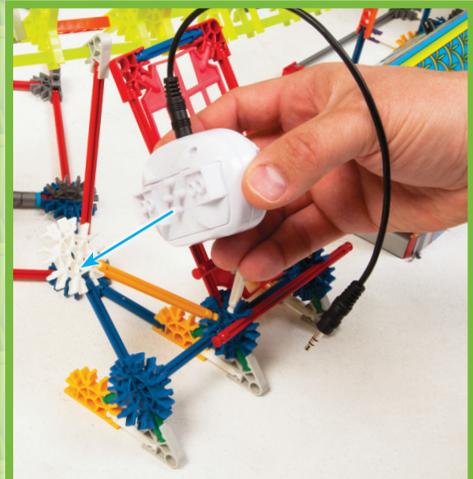

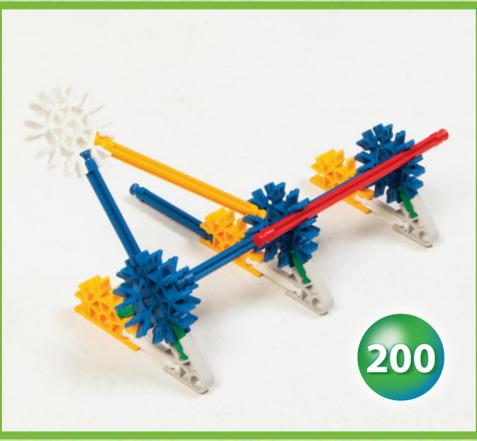

196

200

Use a small Phillips head screwdriver to loosen the screw. Insert 2 fresh AAA batteries (LR03) into the compartment with the correct polarity (+/-) as shown here.

Utiliser un petit tournevis Phillips pour desserrer la vis et pour enlever la couverture de batterie. Insérer 2 AAA (LR03) batteries fraîches dans le compartiment de batterie avec la bonne polarité (+/-).

Connect the mini speaker box that you can use with your MP3 player (not included).

Brancher le mini-boîte de haut-parleur que vous pouvez utiliser avec votre lecteur MP3 (pas inclus).

CAUTION: Do not use close to the ear! Misuse may cause damage to hearing.

ATTENTION : A ne pas utiliser près de l'oreille ! Mauvaise utilisation peut occasionner des lésions auditives graves.

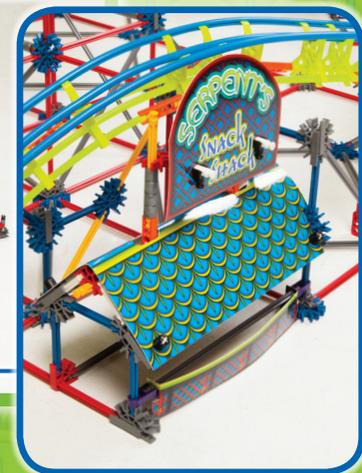

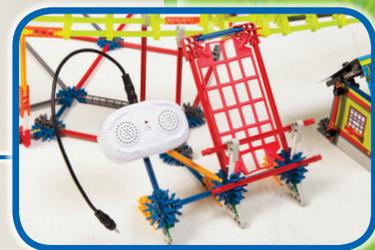

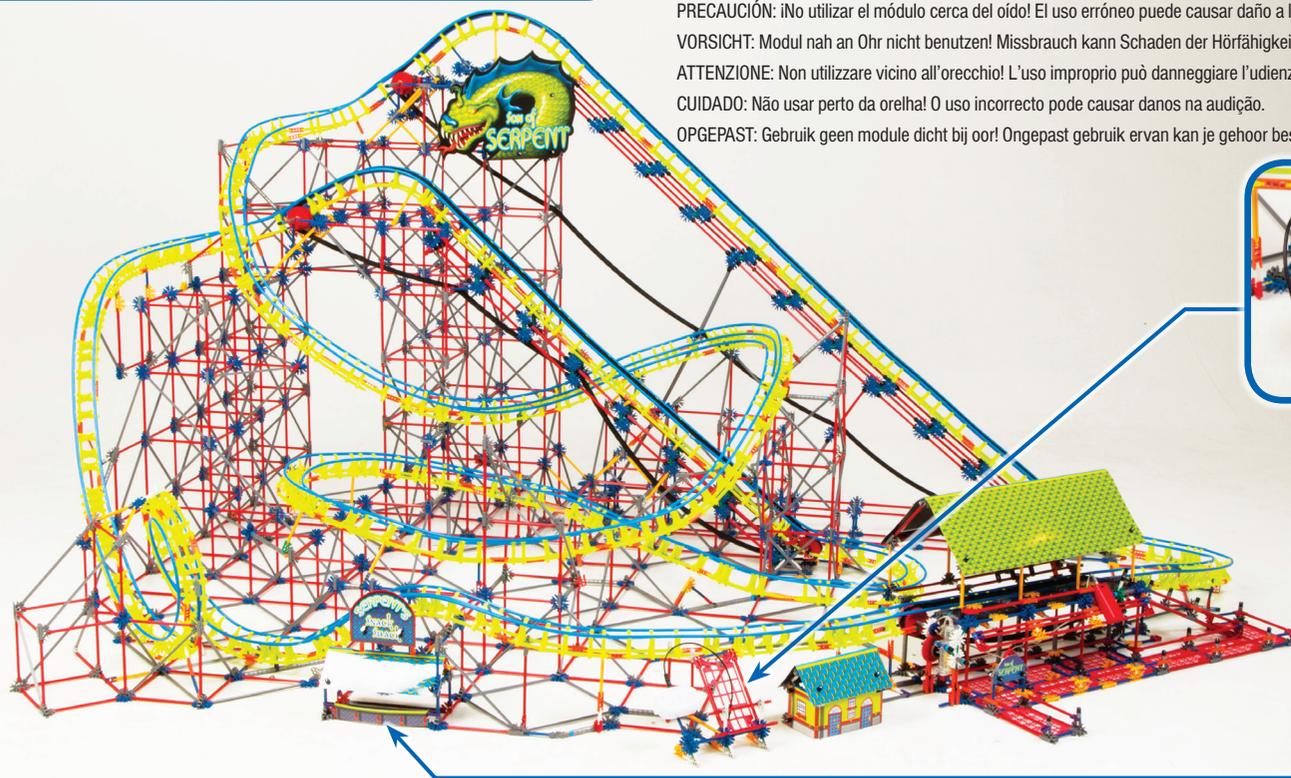

PRECAUCIÓN: ¡No utilizar el módulo cerca del oído! El uso erróneo puede causar daño a la audiencia.

VORSICHT: Modul nah an Ohr nicht benutzen! Missbrauch kann Schaden der Hörfähigkeit verursachen.

ATTENZIONE: Non utilizzare vicino all'orecchio! L'uso improprio può danneggiare l'udienza.

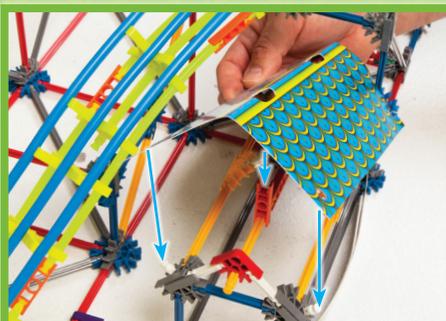

CUIDADO: Não usar perto da orelha! O uso incorrecto pode causar danos na audição.

OPGEPAST: Gebruik geen module dicht bij oor! Ongepast gebruik ervan kan je gehoor beschadigen.

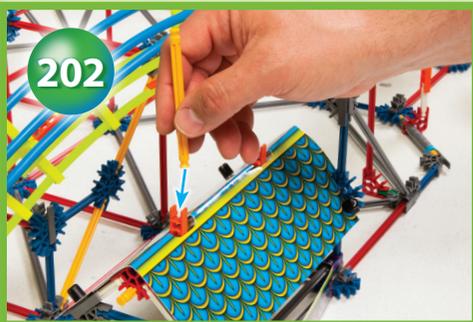

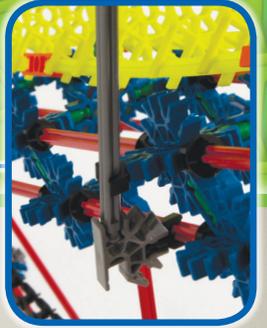

Use a gray rod to connect this graphic panel.
Utilisez une tige gris pour connecter ce panneau graphique.
